Timetable for admissions and transfers

Timetable for Admissions and Transfers Intakes for September 2017			
	First/Primary Schools (Section 3)	Middle Schools (Section 5)	High Schools (Section 6)
Applications Open on	1st September 2016	1st September 2016	1st September 2016
Closing Dates	15th January 2017	15th January 2017	31st October 2016
School Offer Notification Dates	16th April 2017	16th April 2017	1st March 2017

If you live in **Worcestershire** and your child is due to start school in Reception or to transfer from First to Middle school or Primary/Middle to High school during the school year 2017/2018, then you must apply to Worcestershire County Council for his or her school place - the opening and closing dates for applications are as above.

How do I apply?

- **Apply online** at www.worcestershire.gov.uk/schooladmissions
- You will need an email address
- We will send you an email to acknowledge receipt of your application
- If you do not have access to the internet, you can get online at any Worcestershire library
- Join the Library and use your Library card to get one hour internet access free each day
- Training on “How to get online” is available free to all Worcestershire Library members

Or telephone School Admissions on **01905 822700** if you need assistance.

After the closing date, you will need to visit www.worcestershire.gov.uk/schooladmissions or telephone: **01905 822700** to request a Late application form to apply.

Parents of children resident outside Worcestershire

If you wish to apply for a place at any Worcestershire school, you must complete an application provided by your “home” LA. (The “home” LA is defined as the Local Authority relevant to the child’s home address). The “home” LA will ensure that the application details are passed onto Worcestershire LA for consideration in the allocation of school places.

If you are not resident in Worcestershire, then you should obtain admission details from your home LA, even if your preferences include schools within Worcestershire.

Dear Parent/Carer

Information for Parents and Carers

This information book is intended to help you to access the full range of educational provision available for your child.

Deciding which school you would like to name as your preferred school for your son or daughter is an exciting opportunity, but it can also be somewhat daunting. There is a great range and diversity of schools often within the same immediate locality. The simplest and most direct way to form a view on what best suits your child is usually to contact the Headteacher of your local school to arrange a visit. Your local Headteacher will be delighted to welcome you to the school, to show you the school's facilities and to discuss the school's achievements and strengths in relation to your child's needs.

Worcestershire has a range of maintained, academy and free schools with particular specialisms where pupils can have both a broad and general curriculum and develop significant expertise in Technology, Languages, the Arts, Sports, Science, Maths & Computing, Business & Enterprise. Many Worcestershire schools have achieved nationally recognised awards and standards including Eco School Status, Basic Skills Quality Mark and International School Award.

Many tens of thousands of pupils and students have enjoyed their education in Worcestershire and have moved on to fulfilling careers. We want you to be equally delighted with the educational opportunities available to your child.

Yours sincerely

Catherine Driscoll,
Director of Children, Families and Communities

Contact details for Neighbouring Authorities

Parents who wish to consider schools maintained by other authorities are strongly advised to contact the local authority concerned to obtain information about those schools. Please note there may be different admission policies in operation.

Under the national, Co-ordinated Admission Arrangements, parents have to apply for School places to their home LA. If you have any queries with regards to your home LA, details can be found at

<http://local.direct.gov.uk/LDGRedirect/Start.do?mode=I>

Local Authority Maintained Nursery Places

PLEASE BE AWARE attendance at a particular nursery/nursery class or foundation class gives **no guarantee** that your child will gain a place at the school where the nursery/nursery class/foundation class is located. Parents/carers must apply separately for their child to go to any first/primary school. Even if your child is successful in obtaining a place in a LA maintained nursery you will still need to apply separately for a place in Reception.

The following schools have Local Authority maintained nursery provision on site. If a school is not listed but has nursery provision on site it may be a private provider/academy. To search for a full list of early years provision for 3 and 4 year olds visit: [Early Year Providers](#).

Area	School Name	Number of FTE Places
Bromsgrove	Catshill First & Nursery	26
	Charford First	39
	Crown Meadow First	13
	Meadows First	13
	Sidemoor First & Nursery	26
Droitwich	Westlands First	26

Worcester	Dines Green Primary	13
	Stanley Road Primary	26
Wythall	Meadow Green Primary	26

Local Authority Nursery Admission Policy

Attendance at an LA maintained nursery does not give entitlement or greater priority for a reception place in the school providing the nursery provision, for the period of statutory education. Places in reception classes are allocated as per the admissions policy for the school. It is a parent's responsibility to ensure they apply for a school place at the relevant time.

All 3 & 4 year old children are entitled to 570 hours per year of early education, based on a maximum of 15 hours per week over 38 weeks of the year. This entitlement can be accessed flexibly across a range of providers with LA maintained nurseries offering all or some of the free entitlement.

From September 2017, some children will be entitled to up to 1140 hours per year, based on a maximum of 30 hours per week over 38 weeks of the year. Further information about the increased entitlement will be available here:

<https://www.gov.uk/topic/schools-colleges-childrens-services/early-years>.

- The area served by any nursery is wider than the catchment area of the providing school and may vary according to local circumstances.

LA Maintained Nursery over subscription criteria

If the demand for places exceeds those available, the following criteria will be used to allocate places:

- Looked After* and Previously Looked After* children;
- Children with additional needs**, with priority given to those who meet the County Council's criteria for statutory assessment;
- Siblings if the older sibling will still be on the roll of the nursery class when the younger sibling starts in the nursery class;
- Children living nearest to the school measured by the shortest straight line distance.

Priority will be given to those wishing to access full time provision (15 hours), over those wishing to access less than 15 hours provision.

***'Looked after'** means all those currently in care or accommodated by a Local Authority under the terms of the Children Act 1989 and children who were previously in care or accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, residence or special guardianship order.

****Additional needs** includes those children whose needs are monitored by LA or external support agencies. Needs may be physical / emotional / social or intellectual. The decision will be taken by the LA in consultation with the Headteacher, SENCo and early years teacher / co-ordinator.

The **sibling connection**, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

School Transport up to the age of 16

Legal Requirements

The law states that it is a parent's responsibility to ensure their child receives suitable education in relation to the child's age, ability and aptitude including any special educational needs they may have. To that extent, if parents decide to send their children to maintained schools, they have a duty to ensure their children get to these schools in the first place. However, there are specific provisions within the 1996 Education Act relating to the provision of home to school transport. The effect of these is that there are circumstances where the County Council, as the Local Authority responsible for education, has a duty to provide home to school transport.

Who is entitled to free transport?

Statutory and pre-statutory age children (4-16) admitted to a mainstream school (not including nursery) in accordance with the County Council's current Admission's Policy will be entitled to free transport if they **live in Worcestershire** and:-

- are attending either the designated or nearest suitable school for their home address and live beyond the statutory walking distance from the school they attend; or
- there is no available walking route, or the route is considered unavailable* for a child, accompanied as necessary, to walk, or
- they meet the extended low-income criteria

Statutory Walking Distance

Statutory walking distance is defined as 3.218688 kilometres (2 miles) for pupils under 8 years of age, in Worcestershire children will qualify up to the end of Year 3, irrespective of the month they turn 8 years of age. For pupils between 8-16 years, Statutory walking distance is defined as 4.828032 kilometres (3 miles). In Worcestershire this is from the start of Year 4 to the end of Year 11. It is always assumed that a child will be accompanied as necessary. The distance is measured by the shortest available walking route along a road or made up footpath, as measured from the nearest pedestrian access to the school site to the nearest entrance to the external boundary of the child's home address.

NB This is a different method of determining distance than that included in many admission policies.

- (i) In general, children eligible for free transport may be required to walk or be taken by the parents up to one mile to or from a designated boarding or alighting point.
- (ii) For the purpose of school transport, a **designated** school refers to the school which the Local Authority has allocated as being the appropriate school for a particular child's home address. It is usually the "catchment area" school for the child's home address. However, there are occasionally exceptions when the **designated** school is a school other than the "catchment area" school, e.g. when the catchment area school is full. Any changes to catchment area does not necessarily mean a change in the entitlement to school transport.

Available Route

A route is considered available to walk, if the pupil accompanied as necessary by an adult, taking into account highway conditions, can walk or be walked with reasonable safety to school. This process is based on the statutory 'Home to School Travel and Transport Guidance' produced by the department for Education and Skills (DfES) in 2007 and the Assessment of Walked Routes to School guidelines produced by Road Safety GB in 2011 which provides guidance on interpretation of both case law and what is generally accepted as good practice in assessing various elements of the walking route between home and school.

Extended Eligibility Policy - Low Income

The Authority extends the eligibility criteria for pupils from low income families.

- Pupils of Primary School age, (end of year 6) who live over 2 miles from the nearest suitable school are entitled to free transport.
- Pupils of High School age, (years 7 to 11) are also entitled to free transport assistance for a choice of the 3 nearest schools between 2 & 6 Miles.
- Pupils who live between 2-15 miles from the nearest or nominated denominational school.
- Low Income is defined as in receipt of free school meals, income support benefit or Maximum Working Tax Credit entitlement, (this entitlement will be reviewed each year).

Joint Catchment Areas

Pupils residing in a joint catchment area will only be entitled to transport entitlement for the nearer school if the pupil meets the eligibility criteria described above.

Will travel assistance be given to a school other than the nearest or designated one for the home address?

Not normally. When parents choose to send their children to a school other than the nearest or designated one, by parental preference, they are responsible for providing the transport.

However, some exceptions may be considered for example:-

- (a) pupil for whom no place can be made available at the nearest or designated school for the home address and the school nominated by the Local Authority as an alternative school, is situated beyond the defined walking distance (see *Statutory Walking distance definition above), or is on an unavailable route. The Director of Children's Services may designate an alternative school for an individual pupil in exceptional circumstances, thus enabling the provision of transport to be considered under the general school transport and travel policy. Such cases will involve pupils for whom no place can be made available at the nearest or designated school. Parents must have applied to the catchment area school at the normal point of transfer to be considered for transport assistance to any re-designated school. All preferences expressed and the order they are prioritised by parents by the closing date will be taken into account when assessing transport assistance.
- (b) Pupil that has moved schools as part of a successful managed move.

The Local Authority will take into consideration any cost effective transport options when considering which school to nominate as an alternative.

Please be aware that any transport arrangements approved for an application will not set a precedent for siblings. Each application for transport will be dealt with on an individual basis.

Pick up and drop off points are made as near to pupils/students home as possible.

However, the Authority considers it reasonable for pupils/students to walk up to one mile to and from a designated boarding/drop off point.

Children with Physical Disabilities

Where a child with PD needs a Reception place, or a place for a Phase Transfer to Middle or High School, and the Accommodation Team, having made a feasibility study, determines that modifications to a school site to meet a child's needs would either be too extensive or impracticable, the next nearest accessible school with places (or the next nearest school where modification to meet needs is practicable) will be allocated by the LA. In these cases, transport will need to be assessed under the Home to School Transport Policy.

How do I apply for transport assistance?

Details of how to apply for transport assistance will be issued with your offer where you will be asked to apply online by completing our quick and easy application. For more information and to apply online please visit

www.worcestershire.gov.uk/schooltransport.

Applying online will provide the benefit of being able to track the progress of your application via the School and College Transport Application Tracker. From the tracker you will be able to see the latest information on your account, find out if your application is eligible for transport assistance, see your confirmed route once allocated and see when your pass has been issued, all at a time convenient for you with no need for a phone call. For more information please visit www.worcestershire.gov.uk/applicationtracker.

N.B. Full policy details and charging schedules are available on the website

Parents are advised that transport assistance is only an offer of support and the Authority would recommend checking with local operators especially for shorter journeys as cheaper local rates may be available.

Post 16 Education and Transport

What education opportunities are there after the age of 16?

There are many high schools with Sixth Forms offering Post-16 study including, in some cases, vocational qualifications. The schools with Sixth Forms are shown in Section 6a of this book.

Alternatively, there are Sixth Form Colleges and Colleges of Further Education offering a wide range of Post-16 and vocational study, as shown on the next page.

All enquiries for admission to school Sixth Forms or Colleges should be made direct to the school or college.

Eligibility for Assistance

The Authority will offer assistance towards costs of transport assistance provided they:

- Are between the age of 16-19 on the 1st September for the academic year of study
- Are resident in Worcestershire and live in excess of 3 miles, measured by nearest suitable walking route from the establishment.
- Are not applying for assistance to a course at the same or lower level, with the exception of retakes.
- When determining entitlement the Authority considers that if the level of qualification can be offered at a nearer establishment then no assistance will be provided to a preferred establishment that is further away.
- Assistance will only be provided to a student undertaking at least 15 hours of study per week

How do I apply for transport assistance?

To apply for transport assistance please complete our quick and easy application. For more information and to apply online please visit www.worcestershire.gov.uk/schooltransport.

Applying online will provide the benefit of being able to track the progress of your application via the School and College Transport Application Tracker. From the tracker you will be able to see the latest information on your account, find out if your application is eligible for transport assistance, see your confirmed route once allocated and see when your pass has been issued, all at a time convenient for you with no need for a phone call. For more information please visit www.worcestershire.gov.uk/applicationtracker.

N.B. Full policy details and charging schedules are available on the website

Parents are advised that transport assistance is only an offer of support and the Authority would recommend checking with local operators especially for shorter journeys as cheaper local rates may be available.

Transport for pupils and students with special educational needs

What transport assistance is available for pupils with a Statement of Special Educational Needs or an Education Health and Care Plan?

Where a child is attending their designated school which the Authority considers to be suitable to meet his/her special educational needs and where transport assistance is not usually provided because that school is within the statutory walking distance, transport assistance may be made available because a child's special educational needs make the distance criterion irrelevant.

Decisions as to eligibility will be made on an individual basis as part of the Statutory Assessment process. **Being the subject of a Statement of Special Educational Needs or an Education Health and Care Plan or attending a Special School does not automatically entitle a pupil to transport assistance.** Factors to be taken into consideration will include:

Mobility:

Does the child have a physical or medical difficulty that rules out either walking to school, use of public transport or suitable public transport is not available - for example, a wheelchair user or a child who requires specialist-seating arrangements.

Behaviour:

This will involve asking whether or not the child's behaviour is so disruptive that he/she would be deemed highly vulnerable or at serious risk of danger to themselves or others if they were to walk or use public transport to school, even if accompanied. In general this category will only apply to those pupils with severe learning difficulties or severe autism.

Parents/carers of children who are in receipt of Disability Living Allowance could provide this evidence in support of their case for transport on grounds of the child's special educational needs. Being in receipt of Disability Living Allowance does not automatically entitle a child to transport assistance.

Pupils attending in county and out of county residential establishments:

Transport assistance to and from home will be provided for pupils attending residential establishments as part of their Statement of Special Educational Needs or an Education Health and Care Plan at the beginning and end of each term and half term.

Pupils under compulsory school age

The Authority does not have a statutory duty to provide transport for pupils who are below compulsory school age. However, the Authority may provide free transport for those children of nursery age who have a Statement of Special Educational Needs or an Education Health and Care Plan and are attending the nearest appropriate Special School or Unit.

Each application will be considered on its merits. Decision as to entitlement of transport assistance will be made based upon distance and the child's need.

Frequently Asked Questions?

Is transport provided for nursery education?

Although each application will be considered on its own merits, as a general rule, free transport will only be provided for children of nursery age who have a statement of Special Educational Needs or an Education Health and Care Plan and who are attending the nearest appropriate Special School or Unit, (as part of the statement or plan procedure), or a Special School Nursery Assessment Centre, where it is in excess of 2 miles from the home address, and they meet the extended low-income criteria.

What happens if there is disagreement about walking routes?

In case of disagreement about walking routes, you should write to the Education Transport Officer, who if necessary will arrange for an assessment to be carried out.

What types of transport assistance are available?

The Passenger Transport Group decides on the most suitable transport arrangements, bearing in mind all relevant factors, including cost.

Depending on individual circumstances, transport is arranged usually by contract bus, service bus or rail, though sometimes other individual arrangements have to be made. Transport is provided at the beginning and end of the normal school day and is not provided for out of hour's activities.

Will transport be provided for medical reasons?

The County Council may provide free transport for medical reasons, if necessary, on the recommendation of the Senior Clinical Medical Officer.

Will travel assistance be given to a school other than the nearest or designated one for the home address?

Not normally. When parents choose to send their children to a school other than the nearest or designated one, by parental preference, they are responsible for providing the transport, even when the preferred school has "specialist" status.

However, some exceptions may be considered for example:-

- Pupil for whom no place can be made available at the nearest or designated school for the home address and the nominated alternative school is situated beyond the defined walking distance (see *Statutory Walking distance definition above).

Can children who do not qualify for transport take up spare seats on school buses?

Each term the Sustainable Transport Unit identifies any spare seats on school buses. Spare seats are offered at a termly cost and such arrangements are however, available on a very limited basis and there is no guarantee that a seat will be available at the start of the following term if one has already been offered. Furthermore any spare seats, which are offered, may need to be withdrawn at only one week's notice, should they be required for students entitled to free transport.

What happens if I am not happy with the assessment of my application?

You may apply for your case to be considered under the appeals policy.

What is the School / College Application Tracker?

If you apply for transport assistance online you will automatically be signed up for the School / College Application Tracker. The tracker will enable you to see the latest information on your account, find out if your application is eligible for transport assistance, see your confirmed route once allocated and see when your pass has been issued, all at a time convenient for you with no need for a phone call. For more information please visit

www.worcestershire.gov.uk/applicationtracker.

How do I access the School / College Transport Application Tracker?

Once you have applied online you will receive an email to let you know when your Tracker account is up and running. The email will provide you with a link to the tracker and you will need your application reference number (which you will receive in all email correspondence), pupil's surname and date of birth. You can also log in by visiting the following page www.worcestershire.gov.uk/applicationtracker.

What if I do not have access the internet?

If you do not have internet access and require further information then please call the Worcestershire Hub on 01905 765765.

Appeals Policy

1. All appeals are individually assessed by a Senior Officer in the Children's Services Directorate against the Authority's approved Home to School Transport & Travel Policy taking into account special circumstances.
2. Appellants are advised in writing, within 20 working days of receipt of the appeal outcome, with detailed reasoning, including what factors were considered, details of who was consulted and information of how to escalate to stage 2.
3. Parent/Carers then have 20 working days to consider escalating the appeal to stage 2.
4. If appropriate, the decision for the non-provision of transport is then investigated by the Consumer Relations Officer who will acknowledge the complaint within 7 working days and issue a full written reply within 25 working days.
5. If the appellant is still not happy they can request that the complaint goes before a Corporate Relations Officer and should clearly state the reasons why they wish this to be considered further. If agreed, the Panel will be convened within 28 working days of the request.
6. The Panel sends a decision letter within 5 working days, including detail of how to escalate to (Local Government Ombudsman) LGO.

Sustainable Modes of Travel

It is very important to consider how your child will get to and from schools when deciding which schools to apply for. Worcestershire County Council is fully committed to promoting walking, cycling and for longer distances, greater use of buses for the school journey and have a Sustainable Modes of Travel Strategy (SMoTS) for schools. This strategy aims to increase the opportunities for children and young people to travel to and from school by sustainable modes, including walking, cycling, public transport, the school bus and car sharing.

This improves their physical wellbeing and the quality of the local environment and provides a cost effective alternative to using the car. The main strategy is available at www.worcestershire.gov.uk/download/downloads/id/1605/sustainable_modes_of_travel_to_school_strategy.

When deciding which schools you would like your child to attend please consider the following:

- Children who walk to school are fitter, have better developed social skills, are more familiar with their surroundings, have better road sense and arrive at school more relaxed and ready to learn.
- Walking, cycling or using public transport offers children greater independence and flexibility - which is especially important at a time of change in the nature of the school day, with greater numbers of pupils staying for extra study, extracurricular activities and sport.
- Walking, cycling or using the bus reduces congestion on the roads.
- Where walking, cycling or public transport are not feasible, car sharing may be an option. This can save time and money and helps cut traffic congestion and air pollution as well as being sociable for children.

Special Educational Needs

School Preference Guidelines for Children with Statements of Special Educational Needs or an Education, Health and Care Plan

Please apply online through School Admissions at www.worcestershire.gov.uk/schooladmissions and tick the box which indicates whether your child has a statement of Special Educational Needs or an Education, Health and Care Plan. If your child attends a mainstream setting and you are requesting a place in a special school or specialist provision, then you must also indicate a mainstream choice as well.

If your child/young person has a Statement or an Education, Health and Care Plan, and they are moving from Middle to High/Secondary School, or Primary to High/Secondary School in September 2017, your application will need to be made by the national closing date 31st October 2016.

If your child currently attends Fort Royal Special School, you will need to apply online through School Admissions and they will pass your application on to SEND Services who will process your request.

NB. If your child has a Statement or an Education, Health and Care Plan and is due to move from First to Middle School, you will also need to apply by 31st October 2016 for your request to be dealt with (even though the closing date for middle school applications is different).

School Admissions will pass your application over to SEND Services who will then process your request. A proposed statement or Education, Health and Care Plan will be sent to you in January 2017 followed by the final statement or plan in February 2017 which will name your child's school for September 2017.

Please note that we are currently in the process of transferring children from Statements to Education Health and Care Plans in line with the Children and Families Act 2014. Where possible we are trying to ensure that all children transferring between phases of education in September 2017 have a Final Education Health and Care Plan in place for January 2017, however this may not always be possible. This means that in some cases the processes may overlap and you may receive duplicate correspondence. In cases where it has not been possible to complete the transfer process your child may still have a Statement rather than an Education, Health and Care Plan at the time of transfer.

If at any time you have any queries about this please contact the SEN Helpline on **01905 845579**.

Factors you should take account of when you tell us your preferred school

- Most children/young people with special needs go to their local mainstream setting, school or college.
- Special schools are for the children/young people with the most severe and complex special educational needs. There are very few unoccupied places in special schools, and it is important that these are available for the children/young people with the greatest needs.
- Our home to school transport policy recognises that not all children/young people are able to walk to their educational establishment. Children between 5 and 8 are expected to walk up to 2 miles, and children over 8 are expected to walk up to 3 miles. These are called the "statutory walking distances". Parents are expected to accompany their children within the statutory walking distance.
- If you select a school/setting for your child/young person that is not the nearest school/setting of its kind to where you live, then your child/young person would not receive home to school transport, even if they qualify on the basis of their special needs. This is because there is a closer school/setting to where you live. It will be a parental responsibility to provide appropriate transport to convey their child/young person to and from this setting. The Local Authority will not, at any time, be financially or otherwise responsible for providing transport provision.

- Some children/young people are eligible for free home to school transport if they are unable to walk for reasons of severe mobility difficulties or other severe needs that mean a child/young person could not walk the distance, even with parental supervision.

Factors the Local Authority takes account of when considering your preference

The law gives high priority to the school/institution preferred by a parent. If you would like your child/young person, however severe his or her special educational needs, to go to a mainstream setting, school or college we will almost always comply with your preference, and describe the provision the school should make in the statement of special educational need or EHCP.

The main factors we consider in making the decision, about which setting your child/young person can attend, are:-

- Whether the school/institution you have named is able to make the provision
- Whether the needs of your child/young person are compatible with the provision of efficient education for other children/young people.
- Whether there is an available place - in specialist provision, we plan ahead by funding places for the year in advance. Special school places and specialist bases in mainstream schools are funded for the pupils with higher level needs who need focused and specialist provision.
- Costs - if you have asked us to name a school or institution where the costs of that place are greater than another provision that is also suitable, then we may not be able to comply with your preference.

The Law says if you suggest the name of a maintained school or other institution, we must name that school or institution in part 4 of the statement or part I of the EHCP unless:

- a) the school is unsuitable for a child's/young person's age, ability or aptitude or to his/her special educational needs

or

- b) the attendance of a child/young person at the school would be incompatible with the provision of efficient education for the children/young people with whom he/she would be educated, or the efficient use of resources.

If we do not name your preferred school in the statement or EHCP, we will explain why.

If we name an Educational Establishment and you decide to make your own arrangements to place your child/young person in an independent school, or to home educate him/her, we will need to be sure that the arrangements you have made are suitable. If you do this, we will write to you to explain what this means in more detail.

If you choose an Educational Establishment that is not the nearest suitable Educational Establishment your child/young person will probably not be entitled to free home to school transport, so we will want to be sure that you can arrange for your child/young person to attend your preferred Educational Establishment. It will be a parental responsibility to provide appropriate transport to convey their child/young person to and from school. The Local Authority will not, at any time, be financially or otherwise responsible for providing transport provision.

Specialist Placements.

Most children/young people with special needs go to their local mainstream setting, school or college. Special schools are for the children/young people with the most severe and complex special educational needs. There are very few unoccupied places in special schools, and it is important that these are available for the children/young people with the greatest needs.

If your preference is for your child/young person to be considered for a Special School, then you will need to also apply online through School Admissions and they will pass your application on to SEND Services who will then process your request.

List of Special Schools

Fort Royal School - 3 to 11 years

Wylde Lane, Worcester, WR5 1DR

Pitcheroak School - 4 to 19 years

Willow Way, Redditch, B97 6PQ

Regency High School - 11 to 19 years

Windermere Road, Worcester, WR4 9JL

Rigby Hall School - 3 to 18 years

Rigby Lane, Bromsgrove, B60 2EP

Wyre Forest School - 3 to 19 years

Habberley Road, Kidderminster, DY11 6FA

Riversides School - 7 to 16 years with Social, Emotional and Mental Health Difficulties

Thorneloe Road, Barbourne, Worcester, WR1 3HZ

The Kingfisher School - 7 to 16 years with Social, Emotional and Mental Health Difficulties

Clifton Close, Matchborough, Redditch, B98 0HF

The Vale of Evesham School - 2 to 19 years

Four Pools Lane, Evesham, WR11 1BN

School terms and holidays

Approved Term Dates for Community and Voluntary Controlled Schools for the academic year 2016/2017.

AUTUMN TERM 2016

TERM STARTS	Thursday 1st September 2016	
HALF TERM	Monday 24th October 2016 - Friday 28th October 2016	
TERM ENDS	Friday 16th December 2016	72 days

SPRING TERM 2017

TERM STARTS	Tuesday 3rd January 2017	
HALF TERM	Monday 20th February 2017 - Friday 24th February 2017	
TERM ENDS	Friday 7th April 2017	64 days

SUMMER TERM 2017

TERM STARTS	Monday 24th April 2017	
HALF TERM	Monday 29th May 2017 - Friday 2nd June 2017	
TERM ENDS	Friday 21st July 2017	59 days

TOTAL 195 DAYS

Other Dates:	Good Friday	Friday 14th April 2017
	Easter Monday	Monday 17th April 2017
	May Day	Monday 1st May 2017
	Whitsun Bank Holiday	Monday 29th May 2017

	May Day	Monday 7th May 2018
	Whitsun Bank Holiday	Monday 28th May 2018

PART B

SECTION 1

Worcestershire schools

1.1 How does the school system vary within the county?

All schools in the County are co-educational, and all high schools are comprehensive. However, there are different types of school and there are also differences across the County in the age groups that the schools provide for, as explained below.

Types of School

Academies (A)

Academies are not maintained by the local authority. Academies are usually the result of a change to an existing state school. The governing body/academy trust have responsibility for managing the academy and have responsibility for deciding the arrangements for admitting pupils including their own admissions criteria.

Free Schools (FR)

Free Schools are not controlled by the local authority. Free Schools are non-profit making, independent, state-funded schools. Free Schools are similar to academies, but will usually be new schools. The governing body have responsibility for managing the Free School and have responsibility for deciding the arrangements for admitting pupils including their own admissions criteria.

Community (C) and Voluntary Controlled (VC) Schools

Worcestershire Local Authority (LA) is the admission authority i.e. it has responsibility for deciding the arrangements for admitting pupils to **Community (C) and Voluntary Controlled (VC)** schools including the admissions criteria.

Foundation (FD) and Voluntary Aided (VA) Schools

The governing body is the admissions authority i.e. it has responsibility for deciding the arrangements for admitting pupils including their own admissions criteria.

The individual school governing body is responsible for determining admission and appeal arrangements for **Academies (A), Foundation (FD), Free (FR) and Voluntary Aided (VA) Schools**. You will find details of the various admissions policies using this link [School Admission Policies 2017-18](#). For more detailed information on types of school visit www.gov.uk.

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

Worcestershire School Organisation

In the **County** there are two systems: **Please refer to area information for details.**

Three-Tier System

The three-tier system consists of **first** schools for pupils from 4 to 8, 9 or 10 years, **middle** schools for pupils from 8, 9 or 10 years to 12 or 13 years, and **high** schools which provide for pupils of 12 or 13 years to 18 years.

Two-Tier System

In some other areas of Worcestershire, there is a two-tier system of **primary** schools for pupils up to the age of 11, with **high** schools for pupils over the age of 11.

There are also some differences in the way **high** schools are organised. Some schools have Sixth Forms and some do not.

1.2 How to find out about schools?

We have included key information about all Worcestershire schools (except independent schools) in this book.

If you have access to the internet you can find further information about schools, including each schools latest OFSTED report, by visiting <http://schoolsfinder.direct.gov.uk/>.

Each school publishes its own prospectus and will have a website you can visit to give you an indication of what the school has to offer your child. Details of any Open Evening/Day events are normally posted on the schools website or can be obtained by contacting the school. The Open Evening Dates for Middle Schools and High Schools can also be found in this book, section 5 for middle schools and section 6 for high schools.

N.B. Categorisation for the type of each school as printed in this booklet is correct as at time of printing July 2016.

By far the best way to find out about a school is to arrange a visit to the school. Whilst this may be an exciting prospect for a child, please help your child to understand that there is no guarantee of them attending that particular school.

1.3 Raising the Participation Age to 18

The Education & Skills Act 2008 mandates that from September 2015 all young people are to remain in education or training at least until their 18th birthday. They will have choices about where they learn; in school, at college, in a working environment, through voluntary work, and what they learn; to achieve GCSEs, AS or A Levels, Apprenticeship, Traineeship, Programme of Study. They can also learn alongside part-time employment or voluntary work, but they cannot stop learning and take their chances with limited qualifications and skills in an ever increasing competitive job market.

PART B

SECTION 2

Charges and allowances

The Board of Governors of each school are required to publish their determined Charging and Remissions policy within the school prospectus. Parents and carers are advised to contact the preferred school for a copy.

Guidance on charging for school activities from the Department for Education is as below:

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it should be free. It is therefore not possible to levy a compulsory charge for transport, admission costs for swimming lessons or visits to museums, etc. during school hours.

The Local Authority or Board of Governors may not charge for anything unless they have drawn up a statement of general policy on charging. The Board of Governors policy may be more or less generous than the LA's, as long as it meets the requirements of the law.

Voluntary Contributions

Headteachers or Board of Governors may ask parents for a voluntary contribution towards the cost of:

- any activity that takes place during school hours
- school equipment
- school funds generally

The contribution must be genuinely voluntary, though, and the pupils of parents who are unable or unwilling to contribute may not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it must be cancelled.

Free School Meals

To qualify for Free School Meals, you must be in receipt of one or more of the following benefits:

- Income Support
- Job Seekers Allowance - Income Based
- Employment and support Allowance - Income Related
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of State Pension Credit
- Universal Credit (Paper proof will be required)
- Child Tax Credit, provided you are not entitled to Working Tax Credit ** and have an annual income that does not exceed £16,190

**Note: From 1 May 2009, children are eligible for Free School Meals for a four week period immediately after the parent/carer become unemployed, or reduces their hours to less than 16 hours a week, but is still in receipt of Working Tax Credit.

(Information above correct at time of going to print but eligibility for Child Tax Credit thresholds are reviewed regularly by central government).

Schools receive additional funding (Pupil Premium) for every child who claims free school meals under the benefit criteria. To ensure that the school and your child get the funding to which they are entitled all parents are encouraged to register with their school by completing an application form for Free School Meals even if the child does not wish to receive a meal as they may be eligible for additional help (for example school uniform, school trips and music tuition).

Universal Infant Free School Meals (Key Stage 1 pupils only)

In September 2014 the government introduced Universal Infant Free School Meals for all pupils in Reception, Year 1 and Year 2. Please note Universal Infant Free School Meals does not attract Pupil Premium.

Please contact your child's school to register for Universal or Free School Meals.

Please visit the link below for more information:

<http://www.worcestershire.gov.uk/cms/school-information-for-parents/school-free-meals.aspx>

Residential Trips

Schools are permitted to charge for the cost of board and lodging during residential school trips. This cost must not exceed the actual cost of the provision.

Where the trip takes place wholly or mainly during school hours, children whose parents are in receipt of a free school meal entitlement will also be entitled to the remission of these charges.

A similar entitlement applies where the trip takes place outside school hours but is necessary as part of the National Curriculum, or forms part of the syllabus for a prescribed examination that the school is preparing the pupil to sit, or the syllabus for religious education.

Public Examinations

No charges may be made for entering pupils for public examinations that are set out in regulations. However, an examination entry fee may be charged to parents if

- the examination is on the set list, but the pupil was not prepared for it at the school
- the examination is not on the set list, but the school arranges for the pupil to take it
- a pupil fails without good reason to complete the requirements of any public examination where the Board of Governors or LA originally paid or agreed to pay the entry fee.

Charges may not be made for any cost associated with preparing a pupil for an examination. However, charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set out in regulations.

For a full copy of the DfE guidance <https://www.gov.uk/government/publications/charging-for-school-activities>.

(Information above correct at time of going to print but eligibility thresholds are reviewed regularly by central government)

PART C

SECTION 3

Admissions to First/Primary Schools

Admission authorities can review their arrangements annually.

The information given in this book applies only to admissions in the school year 2017 - 2018 and may change in future years.

Please be aware:

- It is a parent/carers responsibility to ensure that their application is submitted on time.
- Living in catchment, having a sibling already at a school or attendance at a particular nursery/nursery class or foundation class gives no guarantee that your child will gain a place at the catchment school or school where the sibling or nursery/nursery class/foundation class is located. Parents/carers must apply separately for their child to go to any first/primary school even if they already attend the school nursery.
- If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 3.10, 5.7 and 6.7 regarding late applications.

3.1 Parental Responsibility

The law allows any parent/carer that has parental responsibility for a child to express a preference as to which school they would like the child to attend. Should more than one parent have parental responsibility for a child, both parents must be in agreement over the preferences expressed prior to the application being submitted.

Where more than one parent submits an application for a child, or where there is a parent not in agreement with the preferences, the Local Authority will not process any application until agreement over the preferences is reached. Failure to ensure agreement prior to submission, may result in a delay in any application being processed and in some instances, where agreement cannot be reached we will not proceed until a legal resolution has been sought and the courts determine which parent can make the final decision on schooling.

When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed, **this will also apply if you wish to transfer in year**. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.

3.2 At what age can your child start school?

The law requires all children to start full-time education by the beginning of the term following their fifth birthday. Children who have reached their fourth birthday are entitled to attend full-time in a reception class from the September after their fourth birthday.

The Reception academic year group from **1st September 2017 - 31st August 2018** is for children who were born between **01/09/2012 - 31/08/2013**.

Parents must apply for a school place as explained in 3.7 below by the closing date **15th January 2017 for admissions in the school year 1st September 2017 to 31st August 2018**.

Parents can request that their child attends part-time until the child reaches compulsory school age. Many schools provide for children to attend part-time at first. Any period of part-time attendance could vary according to the circumstances at each school and perhaps also according to the age of the child. You will need to check with the school you would like your child to attend, to see what their induction arrangements are.

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

3.3 Can I keep my child out of school until s/he is 5?

Parents may request that their child's entry to a reception class be deferred until later in the same reception academic year group. Parents cannot **defer entry** until the following academic year. Parents wishing to consider a deferment should discuss the situation with the Headteacher at the school. Parents must apply for a school place in the normal way at the usual time. By law children must start school at the beginning of the term following their fifth birthday.

Summer Born Children

Children with a date of birth in the summer term wishing to start school in the September after their fifth birthday would start in Year 1 and consequently miss the entire reception year. To apply for a place in Year 1 and not reception please refer to Section 9 In-Year Admissions. Please be aware that there may not be a vacancy in Year 1 at that time.

Parents can also request that their child enter the reception class in the September after their fifth birthday, effectively in the year group below their chronological age group, **delayed entry**. The admissions authority of the school must make the decision based on the circumstances of each case. In the case of a Community or Voluntary Controlled School the Local Authority will request the head teacher of the school to reach the final decision as to whether delayed entry is appropriate. This will involve the head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay their entry into school and be taught permanently behind their chronological age group.

This process must be completed in advance of the closing date of 15th January 2017, in the event that the delayed entry is not approved, parents will need to make application in time for the 2017 reception intake. Should the delayed entry be approved you will be advised how to proceed at that stage.

Even if it is agreed that your summer born child can start school in the September following their fifth birthday in the reception class, the normal admission arrangements apply and there is no guarantee of a place. You should therefore give careful consideration to requesting delayed entry.

3.4 Can my child start school earlier if they were born between 1st September 2017 and 31st December 2017?

The Council does not allow a school to admit your child into reception class before the school year in which s/he becomes 5. If your child is 5 between 1st September 2017 and 31st December 2017 s/he cannot therefore start school until September 2017.

3.5 Which school can your child attend?

The law says that the Local Authority (LA) must give parents the chance to state their preference for the school they wish their child to attend. The law does not give parents/carers an absolute right to "choose" the school for their child. It is important to find out the name of the **catchment area school** for the home address of your child and you can do this by either telephoning: **01905 822700** or by visiting www.worcestershire.gov.uk/schooladmissions and following the link to school catchment areas.

You may apply for other schools (other than the catchment area school), including Academy, Foundation, Free or Voluntary Aided Schools, please refer to paragraph 3.6 - 3.12 for details of the co-ordinated admissions arrangements.

Apply online at: www.worcestershire.gov.uk/schooladmissions

Important Considerations for you to note:

If your child is admitted to a first school or primary school of your preference (other than the catchment area school), your child may not have the highest priority for transfer to the related middle school or high school.

If the related middle school or high school is oversubscribed at the time of transfer, your child might then have to move in a different direction from other children attending the same first or primary school.

Having gained admission to a first or primary school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.

- Applications where a preference is expressed for a particular school, on time, will take precedence in relation to the school over where, a preference is expressed for a particular school, after the closing date. In both of these instances, they will have precedence over those where no preference, for a particular school, is expressed.
- You should give careful consideration to the means by which your child will travel to school

(see information about School Transport in Part A of this booklet).

3.6 The Co-ordinated Admissions Scheme Timetable for First/Primary Schools

15th January 2017	All applications must be received, either at current school, on-line or the HOME LA.
16th January 2017	All applications received at current schools to be sent to LA.
30th January 2017	Information forwarded to Academies, Foundation, Free and Voluntary Aided Schools for allocations to be considered. Further applications to be forwarded asap.
1st February 2017	Information received from neighbouring LAs of pupils, who have nominated a school in Worcestershire.
1st February 2017	Information supplied to neighbouring LAs concerning any Worcestershire children nominating an out-county school.
28th February 2017	Last date at which Late Applications can be considered in initial allocation (see section about 'Late Applications' for limited circumstances).
6th March 2017	Academy, Foundation, Free and Voluntary Aided Schools to return preferences, ranked by those schools in accordance with their admission criteria.
10th March 2017	Worcestershire and neighbouring LAs to exchange information of results (1st cycle).
17th March 2017	Worcestershire and neighbouring LAs to exchange further information (2nd cycle).
31st March 2017	Worcestershire and neighbouring LAs to exchange final information.
16th April 2017	Offers of school places made to parents.

3.7 How do you apply for a place at a First/Primary School

The parents of ALL pupils resident in Worcestershire, including parents whose preference is for the catchment area school for the child's home address, **seeking a place at any first/primary School, including any Academy, Foundation, Free or Voluntary Aided School**, and any School outside Worcestershire, must **complete a Worcestershire on-line application by the closing date - 15th January 2017**.

Worcestershire parents are invited to state three preferences. **All preferences** are treated as equal initially, and the oversubscription criteria applied to each preference. If it is possible to make a potential offer at more than one school, then the final offer will be the school ranked highest on the application. (See paragraph 3.9 below).

Apply online at: www.worcestershire.gov.uk/schooladmissions

Please be aware that different LAs and Academies, Foundation, Free and Voluntary Aided Schools may have different admissions criteria, and therefore it is strongly advised that you ensure that you have understood the information that is available from each LA/School, before stating a preference on an application. The Admissions Criteria for Worcestershire Academy, Foundation, Free and Voluntary Aided Schools can be found here: [Academy, Foundation, Free and Voluntary Aided Admissions Criteria 2017](#).

Please make contact with the School Admissions Teams of any of the relevant LAs, if further information is required. (The contact details for all the neighbouring LAs can be found in Part A)

Parents seeking a place at an Academy, Foundation, Free or Voluntary Aided School or schools outside Worcestershire must:

- **obtain from the school a prospectus which will explain if you need to provide/complete supplementary information/forms;**
- **complete a Worcestershire on-line application naming your school preferences**

(See 3.8 below for when to apply)

The parents of pupils resident outside Worcestershire, but who wish to apply for a place at any Worcestershire school, must complete an application provided by the “home” LA. (The “home” LA is defined as the Local Authority relevant to the child’s home address). The “home” LA will ensure that the application details are passed onto Worcestershire LA for consideration in the allocation of school places. If you are not resident in Worcestershire, then you should obtain admission details from your home LA, even if your preferences include schools within Worcestershire.

It is very important that applications are received no later than the date indicated in paragraph 3.8.

Late applications are always considered, though it may not be possible to allocate a place in the school you prefer, if it is oversubscribed, even if the school is the catchment area school for your child’s home address (See paragraph 3.10 about late applications).

You should inform the Headteacher of the allocated school, and the School Admissions Section if you are withdrawing your application for any reason. The School Admissions Section and the Headteacher must be notified immediately of any change in the child’s home address.

3.8 When should you apply?

Places in reception classes are allocated on the basis of applications received on or before the closing date of: **15th January 2017 for admissions in the school year September 2017 to August 2018.**

Parents who do not wish their children to start until they have reached compulsory school age **must** discuss their intentions with the school, and **must** also apply for a school place by, **15th January 2017**, so that their application can be considered. (See also paragraph 3.2 to 3.4 above).

From 1st September 2016 until the closing date 15th January 2017 applications can be made by visiting www.worcestershire.gov.uk/schooladmissions. If you do not have access to the internet please contact School Admissions on 01905 822700.

Details/preferences on an on-line application can be amended and re-submitted right up until the closing date, 15th January 2017. (Remember to resubmit any changes you make and keep a copy of the email you receive to confirm the submission)

Any requests to amend details/preferences after the closing date, must be made in writing or sent via email to the School Admissions Section. **Any request to amend details/preferences after the closing date will be subject to the late application policy.**

For applications after the closing date please refer to paragraph 3.10 below.

Apply online at: www.worcestershire.gov.uk/schooladmissions

If you are not resident in Worcestershire, then you must apply through your 'home' Local Authority, even if your preferences include schools within Worcestershire.

PROOF OF APPLICATION - It is the parent/carers responsibility to ensure a receipt is obtained when making an application. **Please retain any receipt as proof of application.**

- Applications made on-line will receive a return receipt via email once the application has been submitted.
(PLEASE RETAIN AS PROOF OF SUBMISSION)
- Paper application forms have a detachable receipt - see form for details.
(PLEASE RETAIN AS PROOF OF SUBMISSION)

The Local Authority will not accept that an application form has been submitted unless you can provide either of the above as proof. This will mean that your application will be classed as Late.

3.9 How are places allocated?

The School Admissions Section will send details to its Academy, Foundation, Free and Voluntary Aided Schools, of all applications received for that school, irrespective of ranking, for initial consideration, **and also to neighbouring LAs**, who will then apply their own oversubscription criteria.

The School Admissions Section will then receive the outcome of these initial considerations, and will compare against lists of potential offers at other schools nominated on the application, to identify any pupils, who may potentially be offered more than one place. If this is the case, then the single offer will be the higher ranked school on the application.

If no place is available at your second or third preference schools as well, or if you have not expressed a second/ third preference, the Home Local Authority will name an alternative school with places available. This will normally be the nearest school to where you live that still has available places.

3.10 What if you are applying or moving house after the closing date - Late Applications?

To make an application after the closing date of 15th January 2017, a PA1 Application Form must be completed and submitted to the School Admissions Section. PA1 forms will be available online to download by visiting www.worcestershire.gov.uk/schooladmissions or by request on: 01905 822700.

Between 16th January 2017 and 28th February 2017, it is likely that a number of late applications (this includes all requests to amend applications previously submitted) will be received. The Council has agreed in its' co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within this time-frame, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (Section 8 living in a catchment area);
- b) where it is agreed by the Directorate of Children's Services, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case independent supporting documentary evidence will need to be submitted with the application. In all other circumstances, or if the application is not received until after 28th February 2017, late applications (including late changes to on time applications), will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.

NB. If the late application is for an Academy, Foundation, Free or Voluntary Aided School, or a school outside Worcestershire, it will be necessary to refer to the late application policy of the school or the LA, in whose area the school is located.

All applications received after 28th February 2017 for the intake year, must be sent to Worcestershire LA, and will be processed as soon as possible. An offer, or refusal of a school place, will be given by Worcestershire LA, on behalf of the relevant admission authority.

If making an application after the start of the Autumn Term (1st September 2017) please refer to Section 9 In-Year Transfers.

3.11 Who has responsibility for the allocation of places?

For Community and Voluntary Controlled Schools, decisions are made by the School Admissions Section. The Headteacher of the school involved is **not** in a position to offer your child a place. For Academy, Foundation, Free and Voluntary Aided Schools decisions are made by the **governing bodies** of the individual schools. For explanation of school types - see Section 8 Glossary.

3.12 When are decisions made?

Offers will be issued on **16th April 2017**. They will be issued direct to parents, by the School Admissions Section, even if it is on behalf of the governing body of an Academy, Foundation, Free or Voluntary Aided School, or a school in a neighbouring LA.

In the few cases, where it may not be possible to offer a place at any of the preferences nominated on the application, a place will normally be offered at the nearest school with places still available.

The acceptance or decline of the offer must be made by the date specified.

- For pupils not resident in Worcestershire, the offer or refusal will be sent direct to parents by the home LA, even if it is for a school in Worcestershire.

3.13 Waiting Lists

If your application for your preferred school is unsuccessful, you will have the opportunity to go onto a waiting list.

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list, priority is based on the oversubscription policy of the school.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, to establish the waiting list procedure in place at those schools.

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. Parents will need to reapply at the start of each term if they wish to be included on the list for the following term. **Only on receipt of an acknowledgement letter from School Admissions will that child be on the list.**

Important Information:-

- All parents will be given a date by which they must respond to their offer of a school place, this gives every parent the opportunity to request to go onto waiting lists. Once that specified date has gone past, the waiting lists will be collated and prioritised in line with the published admission arrangements. This is likely to take a number of weeks, depending on the number of requests.
- Once the waiting lists are collated and prioritised, School Admissions will begin the process of reallocating any vacancies for Community and Voluntary Controlled Schools. School Admissions will also be notified by any Academy, Foundation, Free and Voluntary Aided Schools of any vacancies and new allocations from waiting lists, to be made on behalf of their Governors/Trusts.
- School Admissions will contact you directly if they are able to offer a place to your child from any waiting list.
- You will only be contacted with regards to an offer and would ask that you allow School Admissions sufficient time to deal with all requests and new offers. This is likely to be 4 weeks after the deadline date for responses.
- After that stage you will be able to find out your child's position on any waiting list, **but not before.**

3.14 Can I appeal against the refusal of a place at my preferred school?

Community and Voluntary Controlled Schools (including Sixth Forms)

If the parental preference cannot be met, you may, if you wish, appeal against the decision. Appeals by parents, setting out the grounds upon which the appeal is made, should be submitted in writing to the School Admissions Section, by the deadline published on the Worcestershire County Council website at [Appealing an Admissions Decision](#). Appeals are heard by an independent appeal panel and whether your appeal is successful is likely to depend on the merits of your case.

Department for Education (DfE) has suggested that admission authorities should make sure parents understand the nature and severity of the restrictions placed on Appeal Panels, when considering appeals for Key Stage One class size prejudice i.e. would mean the school would have to take qualifying measures (additional accommodation, re-organisation or staffing) to comply with the legal duty to limit infant classes to 30 pupils for children in **Reception, Year 1 and Year 2**.

An appeal **WILL BE TURNED DOWN** unless 1 of the 3 clearly defined grounds set out below can be proven:

- A) The child would have been offered a place if the admission arrangements (which are published in the “Information for Parents” book) had been properly implemented; or
- B) The child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the SSFA 1998; and/or
- C) The decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

To reiterate the Appeal Panel can only consider these three aspects of any Appeal relating to Key Stage One class size prejudice admission. This advice has been given by the DfE to provide you with a more realistic view of the limits imposed on the Appeal Panel, and to avoid any misconceptions you may have concerning the appeal process. In other words your appeal will be lost unless you can prove one of the VERY limited grounds above.

Second Appeal

The Code of Practice on School Admission Appeals, Section 5 (page 23) covers the issue of second appeals for the same school in the same school year. “Appellants do not have the right to a second appeal for the same school for the same academic year unless, in **exceptional** circumstances, the admission authority accepts a second application because of a **significant** and **material** change in circumstances.”

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors/Trust of the schools and should be obtained from the school directly.

3.15 What happens if you are moving into a new area?

Where families with children of school age are moving into a new area, parents should at the earliest opportunity either enquire at schools in the area or contact the Local Authority School Admissions Section in the area.

If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section 3.10 regarding late applications.

Please be aware that some schools may well already be full at the time of your application.

3.16 How many children may be admitted to each school?

The County Council has a duty to ensure the provision of efficient education and the efficient use of resources. Schools cannot be permitted to become overcrowded. The number of pupils that may be admitted to a school in the relevant year group is known as the **Published Admission Number (PAN)**. Details are given in Section 3a of the book. (As at time of print July 2016)

Apply online at: www.worcestershire.gov.uk/schooladmissions

3.17 Keeping Key Stage 1 Class Sizes to 30 or fewer

LAs must ensure that infant class sizes are limited to a maximum number of 30. The government has identified certain specific exceptions to that class size limit. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit. The excepted children are:

- a) children admitted outside the normal admissions round with Statements of Special Educational Needs or an Education and Health Care Plan, specifying a school;
- b) looked after children and previously looked after children admitted outside the normal admissions round;
- c) children admitted, after initial allocation of places, because of a procedural error made by the admission authority or local authority in the original application process;
- d) children admitted after an independent appeals panel upholds an appeal;
- e) children who move into the area outside the normal admissions round for whom there is no other available school within *reasonable distance;
- f) children of UK service personnel admitted outside the normal admissions round;
- g) children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil;
- h) children with special educational needs who are normally taught in a special educational needs unit attached to the school, or registered at a special school, who attend some infant classes within the mainstream school.

*see Section 8 - Glossary for definition.

3.18 Children of UK service personnel (UK Armed Forces)

The School Admissions Code specifies that, for families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

In the case of Community and Voluntary Controlled Schools, the admission arrangements ensure that the application is accepted in advance and the address is accepted as if the child were resident at that address immediately. Should any vacancy exist then that place can be allocated in advance. This is in line with the mandatory requirements of the Code. However, where no vacancy exists the approved admissions policy does not admit these children above the PAN.

The arrangements in place are considered appropriate for Worcestershire where very few applications under these circumstances are received.

3.19 Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group - to Reception rather than Year 1.

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

If this is something you wish to discuss further then please contact **01905 822700**.

PART C

SECTION 3A:

Worcestershire First and Primary Schools

Key to Columns

Type: Categorisation of school - see Part B, Section 1.1 for further description.

A = Academy

C = Community

FR = Free

FD = Foundation

VA = Voluntary Aided

VC = Voluntary Controlled

N.B. *At time of publication a number of schools are applying to become Academies and the school status maybe subject to change - see Part B Section 1.2 for where you can find the latest status of a school.

DfE No: Department for Education (DfE) school number. All school numbers in Worcestershire have the prefix of 885, which is the Authority number allocated by the DfE.

PAN: Published Admission Number
The maximum number of children which can be admitted to a school in each year group. The PAN is agreed by the governing body of the school The figures set for the admissions year 2017/2018 are shown.

NOR: Total number of pupils on roll at the school in January 2016.

Part D

Section 4

Bewdley Pyramid

The Bewdley Area comprises the Town of Bewdley together with the civil parishes of:

Bayton
 Bewdley
 Kidderminster Foreign
 Mamble
 Ribbesford
 Rock
 Upper Arley

*Bayton CE Primary School has a shared catchment with Lacon Childe High School, Shropshire

Notes on Admissions

- i) There are two catchment area High schools for children living within the Bayton and Mamble civil parishes. The Bewdley School and Sixth Form Centre and Lacon Childe High School which is in Shropshire.

Bromsgrove Pyramid

*Stoke Prior First- the whole of the school catchment area is a shared area for St Johns CE Middle School Academy and Aston Fields Middle
 **Charford First has part of its catchment area which feeds St Johns CE Middle School Academy and part feeds Aston Fields Middle
 NBSt. Peter's Catholic First School is situated in the South Bromsgrove area. The school is officially part of the Redditch Catholic pyramid but it does admit sizeable numbers of non-Catholic children who subsequently move on to the schools in the South Bromsgrove Pyramid.

The Bromsgrove Area comprises the Town of Bromsgrove together with the civil parishes of:

Alvechurch
 Barnet Green
 Belbroughton (Part) - Dordale and Fairfield
 Beoley
 Bourneheath
 Catshill
 Cofton Hackett (Part) - Kendall End Road to Cofton Church Lane
 Dodderhill (Part)
 Dodford and Grafton
 Finstall
 Hanbury
 Lickey (Part)
 Stoke Prior
 Wythall (Part)

Droitwich Pyramid

The Droitwich Area comprises
Droitwich Spa together with the
civil parishes of:

Dodderhill (Part)	Hadzor (Part)	Rushock
Doverdale	Hampton Lovett	Salwarpe
Elmbridge	Hindlip	Tibberton
Elmley Lovett	Huddington (Part)	Upton Warren
	Martin Hussingtree	Westwood
	North Claines (Part)	
	Oddingley (Part)	
	Ombersley	

NB: - - - - - Shows schools which feed into more than one school.

* Pupils at Sytchampton Endowed Primary School can choose to transfer to a Middle school for year 5 in Droitwich or remain at the school, transferring to a High school for year 7 in Stourport or elsewhere.

Evesham Pyramid

*Eckington CE First has part of its catchment area feeding into Drakes Broughton St. Barnabas in the Pershore pyramid

**St. Andrew's CE First has part of its catchment area feeding into St Egwin's Middle and part feeding into The De Montfort School

***Children at Honeybourne Primary can choose to transfer on to a Middle School for Year 6 in Evesham or remain at a High School for Year 7 elsewhere.

Notes on Admissions

- i) Children resident in Birlingham are part of a shared catchment area with Eckington C.E. First in the Evesham area and Defford-cum-Besford C.E. First in the Pershore area. This shared catchment area also applies to the Middle and High schools of Bredon Hill Middle and Prince Henry's High in the Evesham area and St Barnabas C.E. First and Middle, Drakes Broughton and Pershore High School.

Hagley Pyramid

**The Hagley Area
comprises the civil
parishes of:**

Belbroughton (Part) -
(excluding Dordale and
Fairfield)
Broome
Churchill and Blakedown
Clent
Hagley
Romsley

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

Kidderminster Pyramid

The Kidderminster Area comprises the Town of Kidderminster together with the civil parishes of:
 Chaddesley Corbett
 Stone
 Wolverley
 Cookley

Please refer to end of Section for pyramid arrangements relating to Catholic Schools
 NB Holy Trinity School is a Free School in Kidderminster that does not have any feeder school links.

Malvern Pyramid

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

NB The High Schools in Malvern do not have feeder school as part of their admission arrangements.

Martley Pyramid

* These schools are also feeder schools for Bishop Perowne CE College

The Martley area comprises of the following civil parishes:-

Droitwich
Abberley
Astley and Dunley
Broadheath
Broadwas

Clifton on Teme
Cotheridge
Doddenham
Great Witley
Grimley
Hallow
Hillhampton
Holt

Kenswick
Knightwick
Little Witley
Lower Sapey
Lulsley
Martley
Pensax
Shelsley Beauchamp

Shelsley Kings
Shelsley Walsh
Shrawley
Stanford with Orleton
Stockton on Teme
Wichenford

plus the Menith Wood locality in the civil parish of Lindridge, plus the Crown East locality in the civil parish of Rushwick.

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

Pershore Pyramid

The Pershore Area comprises the Town of Pershore together with the civil parishes of:

Abberton
Besford
Birlingham (see note i below)
Bishampton
Bredicot
Broughton Hackett
Churchill
Cookhill (Part)
Crowle
Defford
Dormston
Drakes Broughton and Wadborough

Fladbury
Flyford Flavell
Grafton Flyford
Great Comberton
Hadzor (Part)
Hill and Moor
Himbleton
Huddington (Part)
Inkberrow

Kington
Little Comberton
Naunton Beauchamp
North Piddle
Norton Juxta Kempsey
Oddington (Part)
Peopleton
Pinvin
Pirton

Spetchley
Stock and Bradley (Part)
Stoulton
Strensham
Throckmorton
Upton Snodsbury
White Ladies Aston
Wick
Wyre Piddle

Notes on Admissions

Children resident in Birlingham attending Eckington C.E. First School as the catchment area school should consider transfer, on attaining nine years of age, to Drakes Broughton, St Barnabas C.E. First and Middle School (Pershore Area) as this is the catchment area school at that age. Parents should also be aware there is no catchment area priority to Middle Schools in the Evesham area.

Redditch Pyramid

The Redditch Area comprises the Town of Redditch together with the civil parishes of:

Bentley Pauncefoot
Cookhill (Part)
Feckenham
Stock and Bradley
Tutnall and Cobley

* Woodfield Academy School - Children attending Woodfield Academy School and living in the catchment area of Tudor Grange Academy Redditch.

**Woodrow First - the catchment area for Woodrow First school is within the designated catchment area for Tudor Grange Academy Redditch at high school age.
Parents should be aware there is no catchment area priority to Trinity High School from within the Woodrow First catchment area.

*** Webheath Primary - the whole of the school catchment area is a shared area for Birchensale Middle and Walkwood Middle School, Trinity High and Tudor Grange Academy Redditch

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

Rubery Pyramid

The Rubery Area comprises Rubery (that part falling within the administrative county of Worcester) together with the civil parishes of:

Cofton Hackett (Part)
Frankley (Part)
Lickey (Part)

Stourport Pyramid

**The Stourport Area
comprises the Town of
Stourport together with
the civil parish of:**

Hartlebury

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

* Pupils at Sytchampton Endowed Primary School can choose to transfer to a Middle school for year 5 in Droitwich or remain at the school, transferring to a High school for year 7 in Stourport or elsewhere.

Tenbury Pyramid

**The Tenbury Area
comprises of the Parish
of Tenbury together with
the civil parishes of:**

Bockleton
Eastham
Hanley
Knighton on Teme
Kyre
Lindridge.*
Rochford
Stoke Bliss

*Pupils in the Menith Wood
locality in the civil parish of
Lindridge attend schools in the
Martley area

Sixth Form Education for Tenbury pupils is provided in Ludlow, Shropshire

Upton Pyramid

The Upton upon Severn area comprises of the Town of Upton upon Severn together with the civil parishes of:-

- Berrow
- Birtsmorton
- Bushley
- Castlemorton
- Croome D'Abitot
- Earl's Croome
- Eldersfield
- Hanley Castle
- Hill Croome
- Holdfast
- Kempsey
- Longdon
- Pendock
- Pendock (Det.)
- Queenhill
- Ripple
- Severn Stoke
- Welland

Worcester Pyramid

The Worcester City Area comprises the City of Worcester together with the civil parishes of: North Claines as it extends beyond the city boundary, except that in part of the parish to the east of the railway line and north of the A449 road; the excepted part is contributory to the Droitwich area. Whittington is also included within the Worcester City area.

Wythall Pyramid

The Wythall Area comprises the civil parish of Wythall.

Notes on Admissions

- i) Tidbury Green Primary and Hollywood Primary, although feeder schools for Woodrush Community High, are located in the Birmingham LA area. Dickens Heath Primary school is located in the Solihull LA area.

Please refer to end of Section for pyramid arrangements relating to Catholic Schools

Catholic Arrangements

NB

The admission criteria of feeder school arrangements does not apply to the schools covered by catholic arrangements as these schools determine their own admissions policy.

St. Peter's Catholic First School is situated in the South Bromsgrove area. The school is officially part of the Redditch Catholic pyramid but it does admit sizeable numbers of non-Catholic children who subsequently move on to the schools in the South Bromsgrove Pyramid.

* Hagley Catholic High also has feeder schools which are outside of the county of Worcestershire.

PART E

SECTION 5

Admissions to Middle Schools

Admission authorities can review their arrangements annually.

The information given in this book applies only to admissions in the school year 2017 - 2018 and may change in future years.

Please be aware:

- It is a parent/carers responsibility to ensure that their application is submitted on time.
- Living in catchment, having a sibling already at a school or attendance at a feeder school gives **no guarantee** that your child will gain a place. Parents/carers must apply separately for their child to go to any middle school.
- If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 3.10, 5.7 and 6.7 regarding late applications.

5.1 Parental Responsibility

The law allows any parent/carer that has parental responsibility for a child to express a preference as to which school they would like the child to attend. Should more than one parent have parental responsibility for a child, both parents must be in agreement over the preferences expressed prior to the application being submitted.

Where more than one parent submits an application for a child, or where there is a parent not in agreement with the preferences, the Local Authority will not process any application until agreement over the preferences is reached. Failure to ensure agreement prior to submission, may result in a delay in any application being processed and in some instances, where agreement cannot be reached we will not proceed until a legal resolution has been sought and the courts determine which parent can make the final decision on schooling.

When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed, **this will also apply if you wish to transfer in year**. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.

5.2 Which school can your child attend?

The law says that the Local Authority (LA) must give parents the chance to state their preference for the school they wish their child to attend. The law does not give parents/carers an absolute right to “choose” the school for their child. It is important to find out the name of the **catchment area school** for the home address of your child and you can do this by either telephoning: **01905 822700** or by visiting www.worcestershire.gov.uk/schooladmissions and following the link to school catchment areas.

You may apply for other schools (other than the catchment area school), including Academy, Foundation, Free or Voluntary Aided Schools, please refer to paragraph 5.3 - 5.9 for details of the co-ordinated admissions arrangements.

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

Important Considerations for you to note:

If your child is admitted to a middle school of your preference (other than the catchment area school), your child may not have the highest priority for transfer to the related high school. If the related high school is oversubscribed at the time of transfer, your child might then have to move in a different direction from other children attending the same middle school.

Having gained admission to a middle school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.

- **Applications where a preference is expressed on time will take precedence in relation to the school over where a preference is expressed after the closing date. In both of these instances they will have precedence over those where no preference is expressed.**
- You should give careful consideration to the means by which your child will travel to school

(see information about School Transport in Part A of this booklet).

5.3 The Co-ordinated Admissions Scheme Timetable for Middle Schools

15th January 2017	All applications must be received, either at current school, on-line or the HOME LA.
16th January 2017	All applications received at current schools to be sent to LA.
30th January 2017	Information forwarded to Academies, Foundation, Free and Voluntary Aided Schools for allocations to be considered. Further applications to be forwarded asap.
1st February 2017	Information received from neighbouring LAs of pupils, who have nominated a school in Worcestershire.
1st February 2017	Information supplied to neighbouring LAs concerning any Worcestershire children nominating an out-county school.
28th February 2017	Last date at which Late Applications can be considered in initial allocation (see section about 'Late Applications' for limited circumstances).
6th March 2017	Academy, Foundation, Free and Voluntary Aided Schools to return preferences, ranked by those schools in accordance with their admission criteria.
10th March 2017	Worcestershire and neighbouring LAs to exchange information of results (1st cycle).
17th March 2017	Worcestershire and neighbouring LAs to exchange further information (2nd cycle).
31st March 2017	Worcestershire and neighbouring LAs to exchange final information.
16th April 2017	Offers of school places made to parents.

5.4 How do you apply for a place at a Middle School

The parents of ALL pupils resident in Worcestershire, including parents whose preference is for the catchment area school for the child's home address, **seeking a place at any Middle School, including any Academy, Foundation, Free or Voluntary Aided School**, and any School outside Worcestershire, must **complete a Worcestershire on-line application by the closing date – 15th January 2017**.

Worcestershire parents are invited to state three preferences. **All preferences** are treated as equal initially, and the oversubscription criteria applied to each preference. If it is possible to make a potential offer at more than one school, then the final offer will be the school ranked highest on the application. (See paragraph 5.6 below).

Please be aware that different LAs and Academies, Foundation, Free and Voluntary Aided Schools may have different admissions criteria, and therefore it is strongly advised that you ensure that you have understood the information that is available from each LA/School, before stating a preference on an application. The Admissions Criteria for Worcestershire Academy, Foundation, Free and Voluntary Aided Schools can be found here: [Academy, Foundation, Free and Voluntary Aided Admissions Criteria 2017](#).

Please make contact with the School Admissions Teams of any of the relevant LAs, if further information is required. (The contact details for all the neighbouring LAs can be found in Part A)

Parents seeking a place at an Academy, Foundation, Free or Voluntary Aided School or schools outside Worcestershire must:

- obtain from the school a prospectus which will explain if you need to provide/complete supplementary information/forms;
- complete a Worcestershire on-line application naming your school preferences

(See 5.5 below for when to apply)

The parents of pupils resident outside Worcestershire, but who wish to apply for a place at any Worcestershire school, must complete an application provided by the “home” LA. (The “home” LA is defined as the Local Authority relevant to the child’s home address). The “home” LA will ensure that the application details are passed onto Worcestershire LA for consideration in the allocation of school places. If you are not resident in Worcestershire, then you should obtain admission details from your home LA, even if your preferences include schools within Worcestershire.

It is very important that applications are received no later than the date indicated in paragraph 5.5.

Late applications are always considered, though it may not be possible to allocate a place in the school you prefer, if it is oversubscribed, even if the school is the catchment area school for your child’s home address - (See paragraph 5.7 about late applications)

You should inform the Headteacher of the allocated school, and the School Admissions Section if you are withdrawing your application for any reason. The School Admissions Section and the Headteacher must be notified immediately of any change in the child’s home address.

5.5 When should you apply?

Places in Middle Schools are allocated on the basis of applications received on or before the closing date of: **15th January 2017.**

From 1st September 2016 until the closing date 15th January 2017 applications can be made by visiting www.worcestershire.gov.uk/schooladmissions. If you do not have access to the internet please contact School Admissions on 01905 822700).

Details/preferences on an on-line application can be amended and re-submitted right up until the closing date, 15th January 2017. (Remember to resubmit any changes you make and keep a copy of the email you receive to confirm the submission)

Any requests to amend details/preferences after the closing date, must be made in writing or sent via email to the School Admissions Section. Any request to amend details/preferences after the closing date will be subject to the late application policy.

For applications after the closing date please refer to paragraph 5.7 below.

If your child currently attends a First School in Worcestershire, you will receive in September 2016:

- Information about the transfer process

Apply online at: www.worcestershire.gov.uk/schooladmissions

If you are not resident in Worcestershire, then you must apply through your 'home' Local Authority, even if your preferences include schools within Worcestershire.

Having read all the information available from the County Council and individual schools as well as attending any open events held at schools, you must then complete and submit an on-line application.

If your child is not attending a Worcestershire school but you reside in Worcestershire, you must still apply through Worcestershire for admissions to Middle Schools, even if your preferences are for schools within another Local Authority.

PROOF OF APPLICATION - It is the parent/carers responsibility to ensure a receipt is obtained when making an application. **Please retain any receipt as proof of application.**

- Applications made on-line will receive a return receipt via email once the application has been submitted.

(PLEASE RETAIN AS PROOF OF SUBMISSION)

- Paper application forms have a detachable receipt – see form for details.

(PLEASE RETAIN AS PROOF OF SUBMISSION)

The Local Authority will not accept that an application form has been submitted unless you can provide either of the above as proof. This will mean that your application will be classed as Late.

5.6 How are places allocated?

The School Admissions Section will send details to its Academy, Foundation, Free and Voluntary Aided Schools, of all applications received for that school, irrespective of ranking, for initial consideration, **and also to neighbouring LAs**, who will then apply their own oversubscription criteria.

The School Admissions Section will then receive the outcome of these initial considerations, and will compare against lists of potential offers at other schools nominated on the application, to identify any pupils, who may potentially be offered more than one place. If this is the case, then the single offer will be the higher ranked school on the application.

If no place is available at your second or third preference schools as well, or if you have not expressed a second/third preference, the Home Local Authority will name an alternative school with places available. This will normally be the nearest school to where you live that still has available places.

5.7 What if you are applying or moving house after the closing date – Late Applications?

To make an application after the closing date of 15th January 2017, a PA1 Late Application Form must be completed and submitted to the School Admissions Section. PA1 forms will be available online to download by visiting www.worcestershire.gov.uk/schooladmissions or by request on: 01905 822700.

Between 16th January 2017 and 28th February 2017, it is likely that a number of late applications (this includes all requests to amend applications previously submitted) will be received. The Council has agreed in its' co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within this time-frame, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (Section 8 living in a catchment area);
- b) where it is agreed by the Directorate of Children's Services, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case independent supporting documentary evidence will need to be submitted with the application. In all other circumstances, or if the application is not received until after 28th February 2017, late applications (including late changes to on time applications), will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.

NB. If the late application is for an Academy, Foundation, Free or Voluntary Aided School, or a school outside Worcestershire, it will be necessary to refer to the late application policy of the school or the LA, in whose area the school is located.

All applications received after 28th February 2017 for the intake year, must be sent to Worcestershire LA, and will be processed as soon as possible. An offer, or refusal of a school place, will be given by Worcestershire LA, on behalf of the relevant admission authority.

If making an application after the start of the Autumn Term (1st September 2017) please refer to Section 9 In-Year Transfers.

5.8 Who has responsibility for the allocation of places?

For Community and Voluntary Controlled Schools, decisions are made by the School Admissions Section. The Headteacher of the school involved is **not** in a position to offer your child a place. For Academy, Foundation, Free and Voluntary Aided Schools decisions are made by the **governing bodies/trusts** of the individual schools. For explanation of school types – see Section 8 Glossary.

5.9 When are decisions made?

Offers will be issued on **16th April 2017**. They will be issued direct to parents, by the School Admissions Section, even if it is on behalf of the governing body of an Academy, Foundation, Free or Voluntary Aided School, or a school in a neighbouring LA.

In the few cases, where it may not be possible to offer a place at any of the preferences nominated on the application, a place will normally be offered at the nearest school with places still available.

The acceptance or decline of the offer must be made by the date specified.

- For pupils not resident in Worcestershire, the offer or refusal will be sent direct to parents by the home LA, even if it is for a school in Worcestershire.

5.10 Waiting Lists

If your application for your preferred school is unsuccessful, you will have the opportunity to go onto a waiting list.

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list, priority is based on the oversubscription policy of the school.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, to establish the waiting list procedure in place at those schools.

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. Parents will need to reapply at the start of each term if they wish to be included on the list for the following term. **Only on receipt of an acknowledgement letter from School Admissions will that child be on the list.**

Important Information:-

- All parents will be given a date by which they must respond to their offer of a school place, this gives every parent the opportunity to request to go onto waiting lists. Once that specified date has gone past, the waiting lists will be collated and prioritised in line with the published admission arrangements. This is likely to take a number of weeks, depending on the number of requests.
- Once the waiting lists are collated and prioritised, School Admissions will begin the process of reallocating any vacancies for Community and Voluntary Controlled Schools. School Admissions will also be notified by any Academy, Foundation, Free and Voluntary Aided Schools of any vacancies and new allocations from waiting lists, to be made on behalf of their Governors/Trusts.
- School Admissions will contact you directly if they are able to offer a place to your child from any waiting list.
- You will only be contacted with regards to an offer and would ask that you allow School Admissions sufficient time to deal with all requests and new offers. This is likely to be 4 weeks after the deadline date for responses.
- After that stage you will be able to find out your child's position on any waiting list, **but not before**.

5.11 Can I appeal against the refusal of a place at my preferred school?

Community and Voluntary Controlled Schools (including Sixth Forms)

If the parental preference cannot be met, you may, if you wish, appeal against the decision. Appeals by parents, setting out the grounds upon which the appeal is made, should be submitted in writing to the School Admissions Section, by the deadline published on the Worcestershire County Council website at [Appealing an Admissions Decision](#). Appeals are heard by an independent appeal panel and whether your appeal is successful is likely to depend on the merits of your case.

Second Appeal

The Code of Practice on School Admission Appeals, Section 5 (page 23) covers the issue of second appeals for the same school in the same school year. "Appellants do not have the right to a second appeal for the same school for the same academic year unless, in **exceptional** circumstances, the admission authority accepts a second application because of a **significant** and **material** change in circumstances."

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors/Trust of the schools and should be obtained from the school directly.

5.12 What happens if you are moving into a new area?

Where families with children of school age are moving into a new area, parents should at the earliest opportunity either enquire at schools in the area or contact the Local Authority School Admissions Section in the area.

If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section 5.7 regarding late applications.

Please be aware that some schools may well already be full at the time of your application.

5.13 How many children may be admitted to each school?

The County Council has a duty to ensure the provision of efficient education and the efficient use of resources. Schools cannot be permitted to become overcrowded. The number of pupils that may be admitted to a school in the relevant year group is known as the Published Admission Number (PAN). Details are given in Section 5a of the book. (As at time of print July 2016)

5.14 Children of UK service personnel (UK Armed Forces)

The School Admissions Code specifies that, for families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

In the case of Community and Voluntary Controlled Schools, the admission arrangements ensure that the application is accepted in advance and the address is accepted as if the child were resident at that address immediately. Should any vacancy exist then that place can be allocated in advance. This is in line with the mandatory requirements of the Code. However, where no vacancy exists the approved admissions policy does not admit these children above the PAN.

The arrangements in place are considered appropriate for Worcestershire where very few applications under these circumstances are received.

5.15 Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group.

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

If this is something you wish to discuss further then please contact **01905 822700**.

PART E

SECTION 5A:

Information about Worcestershire Middle Schools

Key to Columns

Type: Categorisation of school - see Part B, Section 1.1 for further description.

A = Academy

C = Community

FR = Free

FD = Foundation

VA = Voluntary Aided

VC = Voluntary Controlled

N.B. *At time of publication a number of schools are applying to become Academies and the school status maybe subject to change.

DfE No: Department for Education (DfE) school number. All school numbers have the prefix of 885, which is the Authority number allocated to Worcestershire by the DfE.

PAN: Published Admission Number
The maximum number of children which can be admitted to a school in each year group. The PAN is agreed by the governing body of the school. The figures set for the admissions year 2017/2018 are shown.

NOR: Total number of pupils on roll at the school in January 2016.

BROMSGROVE AREA - SECONDARY MIDDLE SCHOOLS Age Range 9-13 (Years 5-8)

PART F

SECTION 6

Admissions to High Schools

Admission authorities can review their arrangements annually.

The information given in this book applies only to admissions in the school year 2017 – 2018 and may change in future years.

Please be aware:

- It is a parent/carers responsibility to ensure that their application is submitted on time.
- Living in catchment, having a sibling already at a school or attendance at a feeder school gives **no guarantee** that your child will gain a place. **Parents/carers must apply separately for their child to go to any high school.**
- If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 3.10, 5.7 and 6.7 regarding late applications.

6.1 Parental Responsibility

The law allows any parent/carer that has parental responsibility for a child to express a preference as to which school they would like the child to attend. Should more than one parent have parental responsibility for a child, both parents must be in agreement over the preferences expressed prior to the application being submitted.

Where more than one parent submits an application for a child, or where there is a parent not in agreement with the preferences, the Local Authority will not process any application until agreement over the preferences is reached. Failure to ensure agreement prior to submission, may result in a delay in any application being processed and in some instances, where agreement cannot be reached we will not proceed until a legal resolution has been sought and the courts determine which parent can make the final decision on schooling.

When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed, this will also apply if you wish to transfer in year. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.

6.2 Which school can your child attend?

The law says that the Local Authority (LA) must give parents the chance to state their preference for the school they wish their child to attend. The law does not give parents/carers an absolute right to “choose” the school for their child. It is important to find out the name of the **catchment area school** for the home address of your child and you can do this by either telephoning: **01905 822700** or by visiting www.worcestershire.gov.uk/schooladmissions and following the link to school catchment areas.

You may apply for other schools (other than the catchment area school), including Academy, Foundation, Free or Voluntary Aided Schools, please refer to paragraph 6.3 - 6.9 for details of the co-ordinated admissions arrangements.

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

Apply online at: www.worcestershire.gov.uk/schooladmissions

Important Considerations for you to note:

Having gained admission to a high school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.

- Applications where a preference is expressed on time will take precedence in relation to the school over where a preference is expressed after the closing date. In both of these instances they will have precedence over those where no preference is expressed.
- You should give careful consideration to the means by which your child will travel to school

(see information about School Transport in Part A of this booklet).

6.3 The Co-ordinated Admissions Scheme Timetable for High Schools

31st October 2016	All applications must be received, either at current School, on-line or the HOME LA .
1st November 2016	All applications received at current schools to be sent to LA.
18th November 2016	Information received from neighbouring LAs of pupils, who have nominated a school in Worcestershire.
18th November 2016	Information supplied to neighbouring LAs concerning any Worcestershire children nominating an out-county school.
25th November 2016	Information forwarded to Academies, Foundation, Free and Voluntary Aided Schools for allocations to be considered.
16th December 2016	Academies, Foundation, Free and Voluntary Aided Schools to return preferences ranked by those schools in accordance with their admission criteria.
19th December 2016	Further co-ordination required, to compare lists against parents' rankings (ongoing).
13th January 2017	Worcestershire and neighbouring LAs to exchange information of results (1st cycle).
13th January 2017	Worcestershire to check nominations against parents' rankings and adjust where necessary.
27th January 2017	Further exchange of data between neighbouring LA's detailing potential offers.
31st January 2017	Last date at which Late Applications can be considered in initial allocation (see section about 'Late Applications' for limited circumstances).
3rd February 2017	Worcestershire and neighbouring LAs to exchange further information (2nd cycle).
10th February 2017	Worcestershire and neighbouring LAs to exchange final information.
1st March 2017	Offers of school places made to parents by Home LA.

6.4 How do you apply for a place at a High School

The parents of **ALL** pupils resident in **Worcestershire**, including parents whose preference is for the catchment area school for the child's home address, **seeking a place at** any High School, **including any Academy, Foundation, Free or Voluntary Aided School**, and any School outside Worcestershire, must **complete a Worcestershire on-line application by the closing date – 31st October 2016**.

Worcestershire parents are invited to state three preferences. **All preferences** are treated as equal initially, and the oversubscription criteria applied to each preference. If it is possible to make a potential offer at more than one school, then the final offer will be the school ranked highest on the application. (See paragraph 6.6 below).

Please be aware that different LAs and Academies, Foundation, Free and Voluntary Aided Schools may have different admissions criteria, and therefore it is strongly advised that you ensure that you have understood the information that is available from each LA/School, before stating a preference on an application. The Admissions Criteria for Worcestershire Academy, Foundation, Free and Voluntary Aided Schools can be found here: [Academy, Foundation, Free and Voluntary Aided Admissions Criteria 2017](#).

Please make contact with the School Admissions Teams of any of the relevant LAs, if further information is required. (The contact details for all the neighbouring LAs can be found in Part A)

Parents seeking a place at an Academy, Foundation, Free or Voluntary Aided School or schools outside Worcestershire must:

- **obtain from the school a prospectus which will explain if you need to provide/complete supplementary information/forms;**
- **complete a Worcestershire on-line application naming your school preferences**

(See 6.5 below for when to apply)

The parents of pupils resident outside Worcestershire, but who wish to apply for a place at any Worcestershire school, must complete an application provided by the “home” LA. (The “home” LA is defined as the Local Authority relevant to the child’s home address). The “home” LA will ensure that the application details are passed onto Worcestershire LA for consideration in the allocation of school places. If you are not resident in Worcestershire, then you should obtain admission details from your home LA, even if your preferences include schools within Worcestershire.

It is very important that applications are received no later than the date indicated in paragraph 6.5.

Late applications are always considered, though it may not be possible to allocate a place in the school you prefer, if it is oversubscribed, even if the school is the catchment area school for your child’s home address –(See paragraph 6.7 about late applications)

You should inform the Headteacher of the allocated school, and the School Admissions Section if you are withdrawing your application for any reason. The School Admissions Section and the Headteacher must be **notified immediately** of any change in the child’s home address.

6.5 When should you apply?

Places in High Schools are allocated on the basis of applications received on or before the closing date of:
31st October 2016.

From 1st September 2016 until the closing date 31st October 2016 applications can be made by visiting www.worcestershire.gov.uk/schooladmissions. If you do not have access to the internet please contact School Admissions on 01905 822700.

Details/preferences on an on-line application can be amended and re-submitted right up until the closing date, **31st October 2016. (Remember to resubmit any changes you make and keep a copy of the email you receive to confirm the submission).**

Any requests to amend details/preferences **after the closing date**, must be made in writing or sent via email to the School Admissions Section. Any request to amend details/preferences after the closing date will be subject to the late application policy.

For applications after the closing date please refer to paragraph 6.7 below.

Apply online at: www.worcestershire.gov.uk/schooladmissions

If your child currently attends a Primary or Middle School in Worcestershire, you will receive in September 2016:

- Information about the transfer process

If you are not resident in Worcestershire, then you must apply through your 'home' Local Authority, even if your preferences include schools within Worcestershire.

Having read all the information available from the County Council and individual schools as well as attending any open events held at schools, you must then complete and submit an on-line application.

If your child is not attending a Worcestershire school but you reside in Worcestershire, you must still apply through Worcestershire for admissions to High Schools, even if your preferences are for schools within another Local Authority.

PROOF OF APPLICATION - It is the parent/carers responsibility to ensure a receipt is obtained when making an application. **Please retain any receipt as proof of application.**

- Applications made on-line will receive a return receipt via email once the application has been submitted. **(PLEASE RETAIN AS PROOF OF SUBMISSION)**
- Paper application forms have a detachable receipt - see form for details. **(PLEASE RETAIN AS PROOF OF SUBMISSION)**

The Local Authority will not accept that an application form has been submitted unless you can provide either of the above as proof. This will mean that your application will be classed as Late.

6.6 How are places allocated?

The School Admissions Section will send details to its Academy, Foundation, Free and Voluntary Aided Schools, of all applications received for that school, irrespective of ranking, for initial consideration, **and also to neighbouring LAs**, who will then apply their own oversubscription criteria.

The School Admissions Section will then receive the outcome of these initial considerations, and will compare against lists of potential offers at other schools nominated on the application, to identify any pupils, who may potentially be offered more than one place. If this is the case, then the single offer will be the higher ranked school on the application.

If no place is available at your second or third preference schools as well, or if you have not expressed a second/ third preference, the Home Local Authority will name an alternative school with places available. This will normally be the nearest school to where you live that still has available places.

6.7 What if you are applying or moving house after the closing date – Late Applications?

To make an application after the closing date of **31st October 2016**, an SA1 Late Application Form must be completed and submitted to the School Admissions Section. SA1 forms will be available online to download by visiting www.worcestershire.gov.uk/schooladmissions or by request on: **01905 822700**.

Between 1st November 2016 and 31st January 2017, it is likely that a number of late applications (**this includes all requests to amend applications previously submitted**) will be received. The Council has agreed in its' co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within this time-frame, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (Section 8 living in a catchment area);
- b) where it is agreed by the Directorate of Children's Services, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case independent supporting documentary evidence will need to be submitted with the application. In all other circumstances, or if the application is not received until after 31st January 2017, late applications (including late changes to on time applications), will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.

NB. If the late application is for an Academy, Foundation, Free or Voluntary Aided School, or a school outside Worcestershire, it will be necessary to refer to the late application policy of the school or the LA, in whose area the school is located.

All applications received after 31st January 2017 for the intake year, must be sent to Worcestershire LA, and will be processed as soon as possible. An offer, or refusal of a school place, will be given by Worcestershire LA, on behalf of the relevant admission authority.

If making an application after the start of the Autumn Term (1st September 2017) please refer to Section 9 In-Year Transfers.

6.8 Who has responsibility for the allocation of places?

For Community and Voluntary Controlled Schools, decisions are made by the School Admissions Section. The Headteacher of the school involved is not in a position to offer your child a place. For Academy, Foundation, Free and Voluntary Aided Schools decisions are made by the **governing bodies/trusts** of the individual schools. For explanation of school types – see Section 8 Glossary.

6.9 When are decisions made?

Offers will be issued on **1st March 2017**. They will be issued direct to parents, by the School Admissions Section, even if it is on behalf of the governing body of an Academy, Foundation, Free or Voluntary Aided School, or a school in a neighbouring LA.

In the few cases, where it may not be possible to offer a place at any of the preferences nominated on the application, a place will normally be offered at the nearest school with places still available.

The acceptance or decline of the offer must be made by the date specified.

- For pupils not resident in Worcestershire, the offer or refusal will be sent direct to parents by the home LA, even if it is for a school in Worcestershire.

6.10 Waiting Lists

If your application for your preferred school is unsuccessful, you will have the opportunity to go onto a waiting list.

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list, priority is based on the oversubscription policy of the school.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, to establish the waiting list procedure in place at those schools.

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. Parents will need to reapply at the start of each term if they wish to be included on the list for the following term. **Only on receipt of an acknowledgement letter from School Admissions will that child be on the list.**

Important Information:-

- All parents will be given a date by which they must respond to their offer of a school place, this gives every parent the opportunity to request to go onto waiting lists. Once that specified date has gone past, the waiting lists will be collated and prioritised in line with the published admission arrangements. This is likely to take a number of weeks, depending on the number of requests.
- Once the waiting lists are collated and prioritised, School Admissions will begin the process of reallocating any vacancies for Community and Voluntary Controlled Schools. School Admissions will also be notified by any Academy, Foundation, Free and Voluntary Aided Schools of any vacancies and new allocations from waiting lists, to be made on behalf of their Governors/Trusts.
- School Admissions will contact you directly if they are able to offer a place to your child from any waiting list.
- You will only be contacted with regards to an offer and would ask that you allow School Admissions sufficient time to deal with all requests and new offers. This is likely to be 4 weeks after the deadline date for responses.
- After that stage you will be able to find out your child's position on any waiting list, **but not before**.

6.11 Can I appeal against the refusal of a place at my preferred school?

Community and Voluntary Controlled Schools (including Sixth Forms)

If the parental preference cannot be met, you may, if you wish, appeal against the decision. Appeals by parents, setting out the grounds upon which the appeal is made, should be submitted in writing to the School Admissions Section, by the deadline published on the Worcestershire County Council website at [Appealing an Admissions Decision](#). Appeals are heard by an independent appeal panel and whether your appeal is successful is likely to depend on the merits of your case.

Second Appeal

The Code of Practice on School Admission Appeals, Section 5 (page 23) covers the issue of second appeals for the same school in the same school year. "Appellants do not have the right to a second appeal for the same school for the same academic year unless, in **exceptional** circumstances, the admission authority accepts a second application because of a **significant** and **material** change in circumstances."

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors/Trust of the schools and should be obtained from the school directly.

6.12 What happens if you are moving into a new area?

Where families with children of school age are moving into a new area, parents should at the earliest opportunity either enquire at schools in the area or contact the Local Authority School Admissions Section in the area.

If you are in the process of moving at the time of your application you **MUST** provide School Admissions with some firm **independent** evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 6.7 regarding late applications.

Please be aware that some schools may well already be full at the time of your application.

6.13 How many children may be admitted to each school?

The County Council has a duty to ensure the provision of efficient education and the efficient use of resources. Schools cannot be permitted to become overcrowded. The number of pupils that may be admitted to a school in the relevant year group is known as the **Published Admission Number (PAN)**. Details are given in Section 6a of the book. (As at time of print July 2016)

6.14 Children of UK service personnel (UK Armed Forces)

The School Admissions Code specifies that, for families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

In the case of Community and Voluntary Controlled Schools, the admission arrangements ensure that the application is accepted in advance and the address is accepted as if the child were resident at that address immediately. Should any vacancy exist then that place can be allocated in advance. This is in line with the mandatory requirements of the Code. However, where no vacancy exists the approved admissions policy does not admit these children above the PAN.

The arrangements in place are considered appropriate for Worcestershire where very few applications under these circumstances are received.

6.15 Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

If this is something you wish to discuss further then please contact **01905 822700**.

PART F

SECTION 6A:

Information about Worcestershire High Schools

Key to Columns

Type: Categorisation of school - see Part B, Section 1.1 for further description.

A = Academy

C = Community

FR = Free

FD = Foundation

VA = Voluntary Aided

VC = Voluntary Controlled

N.B. *At time of publication a number of schools are applying to become Academies and the school status may be subject to change.

DfE No: Department for Education (DfE) school number. All school numbers have the prefix of 885, which is the Authority number allocated to Worcestershire by the DfE.

PAN: Published Admission Number
The maximum number of children which can be admitted to a school in each year group. The PAN is agreed by the governing body of the school. The figures set for the admissions year 2017/2018 are shown.

NOR: Total number of pupils on roll at the school in January 2016.

PART G

SECTION 7:

Admission criteria for Community & Voluntary controlled schools

- 7.1 All admission authorities are required to review their arrangements every year. Therefore, the information given in this booklet applies only to admissions in the school year 2017– 2018 and may change in future years.**
- 7.2** The School Standards and Framework Act 1998 gives parents the right to express a preference for their children to be admitted to any school maintained from public funds and generally the admission authority has to comply with that preference. However, there are exceptions to this the main ones being:
- i) where agreeing to the preference would prejudice the provision of efficient education or the efficient use of resources – the most important example of this would be if the school is oversubscribed based on the Published Admission Number;
 - ii) where agreeing to the preference in the case of infant classes which have a limit of 30 pupils to each qualified teacher, would cause class size prejudice;
 - iii) where the preference conflicts with admission arrangements for schools based on selection by reference to ability or aptitude;
 - iv) where information provided by the parents in support of their preference is found to be fraudulent or intentionally misleading.

7.3 What happens if the school is oversubscribed (except in the sixth form)?

Community or Voluntary Controlled First and Primary Schools

When there are more applications than places, in a Community or Voluntary Controlled school First/Primary, children are admitted in the following order of priority:

- i) Relevant *'Looked after' and previously *'Looked after' children;
- ii) Siblings (see below for definition) of pupils attending the school **and** living within the **catchment** area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;

In the event of a school catchment area change being approved, pupils who would still have a **sibling connection** (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the **catchment area**;
- iii) Pupils living within the **catchment** area of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;
- iv) Pupils living outside of the catchment area but who would still have a **sibling connection** (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;

- v) Children of staff at the mainstream school, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;
- vi) Pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. **(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).**

In accordance with legislation, a child with a Statement of Special Educational Needs or an Education, Health and Care Plan will be offered a place at the school named in the Statement or the Plan.

*'Looked after' means all those currently in the care of a Local Authority or accommodated by a Local Authority under the terms of the Children Act 1989 and children who were previously in the care of or accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, a child arrangements order or special guardianship order.

Where there are too many applications from within the catchment area, priority will be decided in the following order, i.e. sibling connection then children of staff then according to distance, each assessed as indicated above.

The sibling connection, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

In the event that one or more but not all children from a multiple birth can be allocated a place(s), all of the children from that multiple birth will be admitted even if this takes the school over PAN. These children are exceptions to the Infant Class Size legislation.

There are a number of additional limited exceptions to the Infant Class Size legislation, including children of UK service personnel admitted outside the normal admissions round, children with statements of special educational needs, EHCP's, looked after children, children with special educational needs who are normally taught in a unit attached to the school, where a procedural error has occurred, children admitted following successful appeal and children admitted outside of the normal admissions round where no other place is available.

Late Applications

The Council has agreed in its co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within the time-frame set out in the scheme, and treat them as being on time, only in the following circumstances;

- i) where a family have just moved address, (refer to Information for Parents book);
- ii) where it is agreed by the Directorate of Children's Services, that individual circumstances apply and the delay was reasonable given the circumstances of the case.

In each case supporting documentary evidence will be required. **In all other circumstances, or if the application is not received until after the date set out in the scheme, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.**

Waiting Lists

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. At that stage parents will need to reapply at the start of the following term if they wish to be included.

Shared Catchment Areas

If there is more than one catchment area school and the number of applications for places from within the catchment area for one of those schools exceeds the number of places available, the allocation of places for the shared catchment area will be decided according to the following priorities, in the following sequence:

- i) pupils who would still have a **sibling connection** at the school at the time of admission;
- ii) children of staff at the mainstream school to which they apply, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;
- iii) pupils living **nearer** to the oversubscribed school than to the alternative school.

If places still exist after consideration of i) and ii) above, they will then be allocated to other pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system.

(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).

Fair Access Protocol

As part of the new Worcestershire Fair Access Protocol, incorporating the 'Hard to Place Protocol', all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol.

'In Year' transfer arrangements

Parents/Carers completing an application form for 'In Year' transfers, with a first preference for a Community or Voluntary Controlled School in Worcestershire, must forward the application to Worcestershire County Council, School Admissions Section.

Parents/Carers with a first preference application for 'In Year' transfers into an Academy, Foundation, Voluntary Aided School in Worcestershire or a school in another Local Authority must forward the application to the individual schools.

In line with the Code of Practice, all own admission authority schools **must**, on receipt of an in-year application, notify the relevant Local Authority of its outcome and inform parents of their right to appeal against a refusal of a place.

Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

Community or Voluntary Controlled Middle and High Schools

When there are more applications than places, in a Community or Voluntary Controlled Middle or High school, children are admitted in the following order of priority:

- i) Relevant *'Looked after' children and previously *'Looked after' children;
- ii) Siblings (see below for definition) of pupils attending the school **and** living within the **catchment** area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;

In the event of a school catchment area change being approved, pupils who would still have a **sibling connection** (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the **catchment area**;
- iii) Pupils living within the **catchment** area of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;
- iv) Pupils living outside of the catchment area but who would still have a **sibling connection** (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;
- vi) Pupils who were attending a feeder school at the time of application;
- vii) Children of staff at the mainstream school, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;
- vii) Pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. **(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).**

In accordance with legislation, a child with a Statement of Special Educational Needs or an Education, Health and Care Plan will be offered a place at the school named in the Statement or the Plan.

*'Looked after' means all those currently in the care of a Local Authority or accommodated by a Local Authority under the terms of the Children Act 1989 and children who were previously in the care of or accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, a child arrangements order or special guardianship order.

Where there are too many applications from within the catchment area, priority will be decided in the following order, i.e. sibling connection, attendance at feeder school, children of staff, then according to distance, each assessed as indicated above. Where there are too many applications from within the out of area sibling criteria, priority will be decided in the following order, i.e. attendance at feeder school, children of staff, then according to distance, each assessed as indicated above and so on with all other criterion.

The sibling connection, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

In the event that one or more but not all children from a multiple birth can be allocated place(s), all of the children from that multiple birth will be admitted, even if this takes the school over PAN.

Late Applications and Moving House after the closing date

The Council has agreed in its co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within the time-frame set out in the scheme, and treat them as being on time, only in the following circumstances;

- i) where a family have just moved address, (refer to Information for Parents booklet);
- ii) where it is agreed by the Directorate of Children's Services, that individual circumstances apply and the delay was reasonable given the circumstances of the case.

In each case supporting documentary evidence will be required. **In all other circumstances, or if the application is not received until after the date set out in the scheme, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.**

Waiting Lists

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. At that stage parents will need to reapply at the start of the following term if they wish to be included. Please see further details in 7.5

Wolverley CE Secondary School, Kidderminster

In the event of oversubscription at Wolverley CE Secondary School up to a maximum of 10% of places will be awarded to children living in the Wyre Forest area whose parents have specifically asked for a place for reasons of religious affiliation.

The definition of religious affiliation would be in line with the criteria for other CE Voluntary Aided schools in the County:

- Active members of a Church of England church;
- Active members of another Christian church;
- Active members of another major faith and supports the ethos of a church school.

(Active members are those that have attended church at least once a month for a period of at least 12 months prior to the application. This would need to be supported in writing by the minister)

Shared Catchment Areas

If there is more than one catchment area school and the number of applications for places from within the catchment area for one of those schools exceeds the number of places available, the allocation of places for the shared catchment area will be decided according to the following priorities, in the following sequence:

- i) pupils who would still have a **sibling connection** at the school at the time of admission;
- ii) pupils who were attending a **feeder** school at the time of application;
- vii) children of staff at the mainstream school to which they apply, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;
- iv) pupils living **nearer** to the oversubscribed school than to the alternative school.

If places still exist after consideration of i) to iii) above, they will then be allocated to other pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. **(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).**

Fair Access Protocol

As part of the new Worcestershire Fair Access Protocol, incorporating the 'Hard to Place Protocol', all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol.

'In Year' transfer arrangements

Parents/Carers completing an application form for 'In Year' transfers, with a first preference for a Community or Voluntary Controlled School in Worcestershire, must forward the application to Worcestershire County Council, School Admissions Section.

Parents/Carers with a first preference application for 'In Year' transfers into an Academy, Foundation, Voluntary Aided School in Worcestershire or a school in another Local Authority must forward the application to the individual schools.

In line with the Code of Practice, all own admission authority schools **must**, on receipt of an in-year application, notify the relevant Local Authority of its outcome and inform parents of their right to appeal against a refusal of a place.

Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group.

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

7.4 What happens if schools are oversubscribed for places in the Sixth Form?

Over-subscription for places in the Sixth Form

The County Council has agreed the following criteria:

- i) General Entry Requirements
 - for courses at NQF level 3 e.g. GCE AS/A2 level, Advanced or Advanced progression Diploma, BTEC National Diploma, 5A*-C grades at GCSE (or equivalent NQF 2 qualifications);
 - for courses at NQF level 2 e.g. Higher Diploma, BTEC First Diploma - a pass at NQF level 1 (5 GCSE D-G or equivalent);
 - for courses at NQF level 1 - 2 A-G grades at GCSE (or equivalent).

The above are general entry requirements for a Sixth Form course. Some subjects/courses will require more specific qualifications to have been achieved in order to study that subject/course;

- ii) in the event of there being more applications from qualifying students than places available, the normal admissions criteria priorities as set out above will apply.

7.5 Is there a Waiting list for schools that have too many applicants?

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, in order to be included.

Waiting Lists for Community and Voluntary Controlled schools are operated in line with the admissions criteria as published in 7.3 above. Parents must apply in writing direct to the School Admissions Section if they wish to put their son/daughter on a waiting list. Only on receipt of an acknowledgement slip from School Admissions will that child be on the list. The LA **will not** accept application requests by telephone.

To apply to go onto a waiting list you would need to supply School Admissions with the following information:

- Child's full name
- Child's Date of Birth
- Permanent home address

Details if the child is "looked after by a Local Authority" *'Looked after' means all those currently in care or accommodated by a Local Authority and children who were previously in care or accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, residence or special guardianship order.

- Name, D.O.B. and Year Group of any brother or sister on roll as a pupil at the preferred School (sibling connection)
- Name of the present school the child is attending

The LA will acknowledge your letter. This will be your confirmation that your child is included on the waiting list. School Admissions will contact parents if a place becomes available and it can be offered to them. All available places will be allocated in line with the criteria published referred to above.

If you wish your child to be on the waiting list for the next term you will need to confirm this in writing to School Admissions including the details listed above **at the beginning of each term**. Application letters will be destroyed at the end of the preceding term so the waiting list is accurate and active.

Waiting list letters should be sent to:

School Waiting List
School Admissions
Prime House
Woodbury Lane
Norton
Worcester
WR5 2PT

The system for operating the waiting lists as described above is in line with the guidance published in the "School Admissions Code of Practice".

7.6 Can you appeal if your request is unsuccessful?

Community and Voluntary Controlled Schools (including Sixth Forms)

If the parental preference cannot be met, you may, if you wish, appeal against the decision. Appeals by parents, setting out the grounds upon which the appeal is made, should be submitted in writing to the School Admissions Section, by the deadline published on the Worcestershire County Council website at [Appealing an Admissions Decision](#). Appeals are heard by an independent appeal panel and whether your appeal is successful is likely to depend on the merits of your case.

Second Appeal

The Code of Practice on School Admission Appeals, Section 5 (page 23) covers the issue of second appeals for the same school in the same school year. "Appellants do not have the right to a second appeal for the same school for the same academic year unless, in **exceptional** circumstances, the admission authority accepts a second application because of a **significant** and **material** change in circumstances."

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors of the schools and should be obtained from the school directly.

7.7 Can a child transfer at any age other than the normal transfer age?

If parents wish to transfer their child to the same age group in another school, parents must discuss the transfer with the Headteacher of the pupil's present school in the first instance. If it is then decided to make a formal request for transfer, parents should complete an application form available either from schools or the School Admissions Section. The County Council's policy and procedures in these circumstances are essentially the same as for admissions to the same school at the normal age and time of transfer, (i.e. as in paragraphs 7.3 or 7.4). However, when determining the number of places available in the relevant age group, the Council **may** refer to the published admission number that was in operation when that year group was at the normal transfer age, in order to judge whether admission would prejudice the provision of efficient education or the efficient use of resources.

PART G

SECTION 7A

Admission criteria for Academy, Foundation, Free & Voluntary Aided Schools

7.1 All admission authorities are required to review their arrangements every year. Therefore, the information given in this booklet applies only to admissions in the school year 2017– 2018 and may change in future years.

7.2 The School Standards and Framework Act 1998 gives parents the right to express a preference for their children to be admitted to any school maintained from public funds and generally the admission authority has to comply with that preference. However, there are exceptions to this the main ones being:

- i) where agreeing to the preference would prejudice the provision of efficient education or the efficient use of resources – the most important example of this would be if the school is oversubscribed based on the Published Admission Number;
- ii) where agreeing to the preference in the case of infant classes which have a limit of 30 pupils to each qualified teacher, would cause class size prejudice;
- iii) where the preference conflicts with admission arrangements for schools based on selection by reference to ability or aptitude;
- iv) where information provided by the parents in support of their preference is found to be fraudulent or intentionally misleading.

7.3 What happens if the school is oversubscribed (except in the sixth form)?

Academy, Foundation, Free and Voluntary Aided Schools

It is very important that you read carefully the admission arrangements for these schools. You will need to ensure that you pay particular attention to the admission criteria, as well as definitions.

Please ensure you complete any necessary supplementary information forms that these schools may require you to submit. If you are unsure of or require further clarification regarding the admission arrangements for Academy, Foundation, Free and Voluntary Aided Schools then please contact the schools directly.

Any supplementary forms must be sent directly to the school themselves for consideration, you must however, in addition, complete an on-line application by the closing date.

7.4 Is there a Waiting list for schools that have too many applicants?

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, in order to be included.

7.5 Can you appeal if your request is unsuccessful?

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors of the schools and should be obtained from the school directly.

Click this link to view all of the [Admission Policies](#) for Worcestershire Academy, Foundation, Free and Voluntary Aided Schools.

Apply online at: www.worcestershire.gov.uk/schooladmissions

PART H

SECTION 8

Frequently asked questions

1) Who is entitled to make an application?

The law allows any parent/carer that has parental responsibility for a child to express a preference as to which school they would like the child to attend. Should more than one parent have parental responsibility for a child, both parents are entitled to make an application for the child. This is why it is very important that agreement over the preferences is reached before the application is submitted. If more than one application is submitted then the Local Authority will not be able to process **either** application until agreement is reached. In some instances, where agreement cannot be reached a legal decision needs to be made and the courts will have to determine which parent can make the final decision on schooling.

Please make sure that agreement is reached before the application is made because when you submit an application you will be required to confirm that both parents are in agreement with the preferences expressed, this will also apply if you wish to transfer in year. If it is later found out that agreement was not made before the application was submitted, it could result in the withdrawal of the offer of a place as the application may have been made fraudulently.

2) What is Parental Responsibility

All mothers and most fathers have legal rights and responsibilities as a parent - known as 'parental responsibility'. If you have parental responsibility for a child you don't live with, you don't necessarily have a right to contact with them - but the other parent still needs to keep you updated about their well-being and progress. You're also responsible for, amongst other things, choosing and providing for the child's education.

3) Who has Parental Responsibility

A mother automatically has parental responsibility for her child from birth. A father usually has parental responsibility if he is married to the child's mother or listed on the birth certificate.

If the parents of a child are married when the child is born, or if they've jointly adopted a child, both have parental responsibility. They both keep parental responsibility if they later divorce.

An unmarried father can have parental responsibility for his child if he jointly registered the birth of the child with the mother, has a parental responsibility agreement with the mother or obtains a parental responsibility order from a court.

4) How are places allocated?

All schools have a Published Admission Number (PAN) which applies to the first year of admission within a school. The figures set for the admissions year 2016/2017 are shown within this booklet next to the individual school details.

If there are more requests for places than the PAN, the school is said to be oversubscribed and places will be allocated according to the oversubscription criteria which are shown in Section 7 for Community and Voluntary Controlled schools and Section 7a for Academy, Foundation, Free and Voluntary Aided schools.

5) My child is already in the school nursery does this mean I do not need to apply for a school place?

No, being in a school nursery does not mean you will automatically have a place in the Reception Intake. You will still need to apply for a school place. Attendance at a particular nursery/nursery class or foundation class gives **no guarantee** that your child will gain a place at the school where the nursery/nursery class/foundation class is located. Parents/carers must apply separately for their child to go to any first/primary school even if they already attend the school nursery.

6) I already have an older child at the school does this mean my younger child will be guaranteed a place?

No, having a sibling already at a school gives **no guarantee** that your child will gain a place at school where the sibling attends. Having gained admission to a first or primary school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.

7) What is my catchment area school?

Each home address within Worcestershire has been designated a school, which serves that area. In many cases, it may be the nearest school, but this is not always the case. Each school will have a map showing its own catchment area, which you may view. Alternatively, you can contact the Local Authority or visit:

www.worcestershire.gov.uk/schooladmissions.

8) Does my child have to attend my catchment area school?

No, parents are free to express a preference for whichever school they wish their children to attend. However, where there are more applications than places available at that school, oversubscription criteria have to be applied. **In Worcestershire, for Community and Voluntary controlled schools catchment area has a high priority.** So, if you apply for a school other than the catchment area school, your child may have a lower priority, but may be able to obtain a place, if there are still places available.

9) Does this mean that I can choose the school my child attends?

No, this is an issue, which can cause misunderstandings from parents. The right to “express a preference” is entirely different from “choosing” a school. It is a legal requirement that school places are allocated in strict accordance with the oversubscription criteria. This may mean that some parents, who have expressed a preference for a particular school, may need to be turned down, if there are too many applications.

10) Will I be guaranteed a place in my catchment area school then?

No. Although catchment areas are generally drawn up to take account of local need and the size of the school and other schools in the area, the number of children eligible to apply for school places each year, can vary widely, and there may be occasions where some schools may not be able to take all of its catchment area, in a particular year.

In such situations, other parts of the oversubscription criteria also need to be taken into account (e.g. siblings, feeder school, staff children or straight line distance from the school – in descending order of priority).

Even if you move address into a school's catchment area, no guarantee of a place can be given because the school may already be full in that particular year group.

11) Who decides upon the oversubscription criteria?

It depends upon the type of school. For Community and Voluntary Controlled Schools, the admissions criteria is determined by the LA and approved by the County Council. For Academy, Foundation, Free and Voluntary Aided schools, the criteria is decided by the school's own governing body/trust.

12) What will happen if my child is refused a place at the school of my preference?

If your child is refused a school place, you will also receive information about your right of appeal and waiting lists. We will also advise you on the current position regarding the availability of places at other schools. **The LA may offer an alternative school which is normally the next nearest with places available.**

13) Are there any issues I should consider when deciding which school I should apply for?

The issue of deciding which school is the best for your child is a personal one. The final decision is yours. As a general rule, it is suggested that you visit a number of schools in your locality, think about its size, its location, how classes are organised, take account of how your child will get there, and consider issues for the future, such as what will happen when the children transfer to a Middle/High School, (particularly important if you live outside the catchment area), or if you have younger children, what is the likelihood of them being admitted or refused?

- **If your child is admitted to a school of your preference (other than the catchment area school), your child may not have the highest priority for transfer to the related middle school or high school.**
- **If the related middle school or high school** is oversubscribed at the time of transfer, your child might then have to move in a different direction from other children attending the same first or primary school.
- Having gained admission to a school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.
- **Applications where a preference is expressed on time will take precedence in relation to the school over where a preference is expressed after the closing date. In both of these instances they will have precedence over those where no preference is expressed.**

14) Is there transport assistance available from the LA?

Further information is available on the County Council website [School Transport](#) or the HUB Contact Centre (01905 765765).

Please be aware that applications for Transport Assistance are assessed using a different criteria to the Admission Policy.

Any transport arrangements approved for one child will not set a precedent for siblings. Each application for transport will be dealt with on an individual basis.

15) I am thinking of moving address, when should I contact the LA?

If your move will require a change of school/s for your child/ren, you are advised to contact the LA as soon as possible for advice.

If you are in the process of moving house at the time of your application you need to provide School Admissions with some firm **independent evidence** of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 3.10, 5.7 and 6.7 regarding late applications.

16) How do I apply for a school place in a Worcestershire School?

It depends which school or year group you are applying for, if your child is due to start or transfer school see the timetable for admission in Part A of this book and how to apply.

Parents seeking a place at an Academy, Foundation, Free or Voluntary Aided School or schools outside Worcestershire **must** also:

- Obtain from the school a copy of their admission arrangements and school prospectus. This will explain if you need to provide/complete supplementary information/forms.

To apply for places in existing year groups at a school, CA1 (Common Application Form) application forms are available from local schools, Local Community Contact Centres and by request on Tel no: **01905 822700** and to download from www.worcestershire.gov.uk/schooladmissions.

17) Can I apply electronically?

Yes, if your child is due to start or transfer school as part of the normal age of transfer, see the timetable for admission in Part A of this book and how to apply.

18) When will I know the outcome of my application?

Offer dates are set nationally. For applications made by Worcestershire residents during the normal round of admissions, an offer will be sent direct to parents, by the School Admissions Section, even if it is on behalf of the governing body/trust of an Academy, Foundation, Free or Voluntary Aided School.

For First and Primary Schools - an offer will be issued 16th April 2017.

For Middle Schools – an offer will be issued 16th April 2017.

For High Schools – an offer will be issued 1st March 2017

In the few cases, where it may not be possible to offer a place at any of the preferences nominated on the application, a place will normally be offered at the nearest school with available places.

19) What is the policy on the admission of twins (and multiple births) should there be only one place available to be offered?

For Community and Voluntary Controlled schools, if one or more but not all children from a multiple birth can be allocated a place(s), all of the children from that multiple birth will be admitted even if this takes the school over PAN.

For Academy, Foundation, Free and Voluntary Aided schools you are advised to refer to the individual policy for the school. (See Section 7a)

20) Where can I get further information?

SEND Information, Advice and Support Service Worcestershire

The SEND Information, Advice and Support Service Worcestershire is a Statutory Service at arms' length from Worcestershire Children's Services and is able to provide independent and neutral information, advice and guidance on Special Educational Needs, Non Curriculum issues and Elective Home Education.

To assess this service please telephone: **01905 768153**.

PART H

SECTION 8A

Glossary

Academy (A)

Academies are all-ability, state-funded schools. The academy trust and the Headteacher have responsibility for managing the academy and have responsibility for deciding the arrangements for admitting pupils including their own admissions criteria. Academies are not maintained by the local authority. Academies are usually the result of a change to an existing state school.

Catchment Area School

It is the school allocated by the LA to take children for the geographical area within which your address falls. It is likely to be the school nearest to your home address but this will not always be the case.

Community School (C)

Schools which are wholly owned and maintained by the Local Authority. The Local Authority is the admission authority it has main responsibility for deciding arrangements for admitting pupils.

Comprehensive School

A school catering for pupils of all aptitudes and abilities.

Compulsory School Age

A child reaches compulsory school age on the prescribed day following his/her fifth birthday (or on his/her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

Curriculum

The curriculum consists of all of the learning opportunities provided by the school, many of which take place in the classroom under the direct control of the teacher, supplemented by a range of activities outside the classroom including educational visits and field studies.

Deferred Entry

There is flexibility for parents who do not feel their child is ready to start school before compulsory school age. They may defer the date their child is admitted to school until later in the school year following their fourth birthday, providing they do not defer beyond the point at which they reach compulsory school age, or beyond the start of the final term of that school year.

Delayed Entry

Children born in the summer term, are not required to start school until a full year after the point at which they could first have been admitted – the point at which other children in their age range are beginning year 1. Should the parent wish their child to be admitted to reception, rather than year one, they may request that they are admitted out of their normal age group. In any circumstance where a parent requests their child is admitted out of their normal age group, the admission authority must make a decision on the basis of the circumstances of the case and in the best interests of the child concerned.

Distance Measurement

Each admission authority will have their own way of determining distance to school. You must check with the relevant school to find out how this will be done. In the case of Community and Voluntary Controlled schools this is a straight line measurement using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority use a software package called Arcview GIS to determine distance. Ordnance Survey supply the co-ordinates that are used to plot an address within this system.

Feeder Schools

Within each area a pyramid of schools exists. Feeder schools are schools which share the catchment area to the next phase of school within the same pyramid. Details of each pyramid showing all the appropriate feeder schools are displayed in Section 4 of this book. Please note not all schools use the Feeder School connection in their admission arrangements. Please ensure that you check the admission policy for any Academy, Foundation, Free or Voluntary Aided School to ensure you are aware of any feeder school links named in the policies.

Foundation School (FD)

Schools which are maintained by the Local Authority. The Governing Body is the employer and the admissions authority. The schools land and buildings are either owned by the Governing Body or by a charitable foundation.

Free Schools (FR)

Free Schools are non-profit making, independent, state-funded schools. The governing body has responsibility for managing the school and has responsibility for deciding the arrangements for admitting pupils including their own admissions criteria. Free Schools are not maintained by the local authority. Free Schools are similar to academies, but will usually be new schools.

Home Education

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

Independent School

A school not funded and maintained by the Local Authority. You do not have to name these schools on your application.

Local Authority (LA)

The local government body responsible for the organisation and maintenance of the education service in its area. In Worcestershire this responsibility is either undertaken by or commissioned by the County Council.

Maintained Special School

A school often referred to as a Special School. Special Schools are provided by the Local Authority for those pupils with Special Educational Needs (SEN), whose needs cannot be met by mainstream schools.

Oversubscribed

When parental requests for places in a year group in a school exceeds the number of places available.

Parental Responsibility

All mothers and most fathers have legal rights and responsibilities as a parent - known as 'parental responsibility'. A mother automatically has parental responsibility for her child from birth. A father usually has parental responsibility if he is married to the child's mother or listed on the birth certificate.

Published Admission Number (PAN)

The number of pupils to be admitted to the first year group of a school.

Reasonable Distance

The LA follows the DfE guidance on best practice which states "the maximum each way length of journey for a child of primary school age might be considered to be 45 minutes: whilst a child of secondary school age might be expected to travel up to 75 minutes each way. Similarly, a child's special educational needs and/or disability might be such that it implies a shorter maximum journey time.

Sibling

Each admission authority will have their own definition of sibling. You must check with the relevant school what this is. In the case of Community and Voluntary Controlled schools the definition of a sibling, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings. In order to qualify for the sibling the older sibling must already be in attendance at the time of application and still on roll at the time of admission of the younger sibling.

Voluntary Aided School (VA)

Schools which are maintained by the Local Authority, with a foundation (generally religious) which appoints most of the Governing Body. The Governing body is the admissions authority.

Voluntary Controlled School (VC)

Schools which are maintained by the Local Authority, with a foundation (generally religious) which appoints some – but not most – of the Governing Body. The Local Authority is the admissions authority.

PART H

SECTION 8B

Living in a school catchment area or moving property

- 1) In order to qualify as living within the catchment area of a given school School Admissions will need to be satisfied that you actually do live within that area or property at the relevant closing date and at the time of admission.
- 2) If you are in the process of moving to live in the relevant catchment area at the time of your application you need to provide School Admissions with some firm independent evidence of when you will actually begin to live there. This evidence must be provided before the relevant closing date for applications. This is also applicable if you are moving property and wish to have your application considered from your new property. See Section/s 3.10, 5.7 and 6.7 regarding late applications.
 - If your move into the catchment area or moving property involves the **purchase of a property** you will need to provide appropriate written **independent evidence** (in the form of a letter from your solicitors) that contracts for the purchase have been exchanged and of the actual or expected completion date.
 - If your move into the catchment area or moving property involves the **renting of a property** you will need to provide appropriate written **independent evidence** (eg from an estate agent or solicitor) of the tenancy agreement or lease including the start date.
 - If your move into the catchment area or moving property involves your **returning to live in a property you already own** you will need to provide appropriate written **independent evidence** of the date when you will resume living in the property and that you intend to remain living there for the present.
 - If your move into the catchment area or moving property involves any **other circumstances** you will need to provide appropriate written **independent evidence** of the date when you begin to live there, the arrangements you will have for living there and the length of time for which you envisage staying there.
- 3) Please note that unless the written evidence which you provide proves, to the satisfaction of School Admissions, that you will actually have commenced living in the catchment area or the new property by the relevant admission date for your child at the school to which you have applied, your application cannot be considered as a catchment priority within the criteria of the admissions policy or considered based on the new property.
- 4) Please also note confirmation of living within the catchment area or new property does not guarantee a place for your child at the relevant school.
- 5) It is vital that you inform School Admissions of any change of your address throughout the admission process.
- 6) Where information provided by the parents in support of their preference is found to be fraudulent or intentionally misleading this could lead to the withdrawal of any place that has been allocated. If you knowingly give false information in order to obtain a particular school place you could be guilty of an offence under the Perjury Act 1911. **Due to problems in previous years it may be necessary for School Admissions to carry out checks to confirm that information given in relation to children's home addresses is genuine. Parents may be asked to produce documentary evidence of the address given.**

PART I

SECTION 9

In-Year Transfers to all Schools

Admission authorities can review their arrangements annually.

The information given in this book applies to admissions in the school year 2017 – 2018, as well as In-Year Transfers for 2016-2017 and may change in future years.

9.1 Parental Responsibility

The law allows any parent/carer that has parental responsibility for a child to express a preference as to which school they would like the child to attend. Should more than one parent have parental responsibility for a child, both parents must be in agreement over the preferences expressed prior to the application being submitted.

Where more than one parent submits an application for a child, or where there is a parent not in agreement with the preferences, the Local Authority will not process any application until agreement over the preferences is reached. Failure to ensure agreement prior to submission, may result in a delay in any application being processed and in some instances, where agreement cannot be reached we will not proceed until a legal resolution has been sought and the courts determine which parent can make the final decision on schooling.

When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed, **this will also apply if you wish to transfer in year**. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.

9.2 Elective Home Education

Under Section 7 of the Education Act 1996 parents have a legal responsibility to provide their child with an education either by regular school attendance or Otherwise. Under this duty parents can decide to take personal, including financial, responsibility for their child's education and this is known as Elective Home Education (EHE). Information on Elective Home Education is made available through the SEND Information, Advice and Support Service by telephoning: **01905 768153**.

9.3 Which school can your child attend?

The law says that the Local Authority (LA) must give parents the chance to state their preference for the school they wish their child to attend. The law does not give parents/carers an absolute right to “choose” the school for their child. It is important to find out the name of the catchment area school for the home address of your child and you can do this by either telephoning: **01905 822700** or by visiting www.worcestershire.gov.uk/schooladmissions and following the link to school catchment areas.

You may apply for other schools (other than the catchment area school), including Academy, Foundation, Free or Voluntary Aided Schools.

Important Considerations for you to note:

If your child is admitted to a first school or primary school of your preference (other than the catchment area school), your child may not have the highest priority for transfer to the related middle school or high school.

If the related middle school or high school is oversubscribed at the time of transfer, your child might then have to move in a different direction from other children attending the same first or primary school.

Having gained admission to a first or primary school of your preference (other than the catchment area school) does not mean that younger siblings will automatically gain admission to the same school. Should the school be oversubscribed at the time of application of a younger sibling, catchment area children have a higher priority on the oversubscription criteria.

- **Applications where a preference is expressed for a particular school, will have precedence over those where no preference, for a particular school, is expressed.**
- You should give careful consideration to the means by which your child will travel to school

(see information about School Transport in Part A of this booklet).

9.4 What happens if you are moving into a new area?

Where families with children of school age are moving into a new area, parents should at the earliest opportunity either enquire at schools in the area or contact the Local Authority School Admissions Section in the area.

Please be aware that some schools may well already be full at the time of your application.

9.5 How do I apply for an In-Year Transfer to schools?

Generally, pupils only transfer from one school to another when there has been a change of home address.

Parents/Carers completing a CA1 application form for 'In Year' transfers, with a first preference for a Community or Voluntary Controlled School in Worcestershire, must forward the application to Worcestershire County Council, School Admissions Section. Parents/Carers with a first preference application for 'In Year' transfers into an Academy, Foundation, Free or Voluntary Aided School in Worcestershire or a school in another Local Authority must forward the application to the individual schools.

In line with the Code of Practice, all own admission authority schools **must**, on receipt of an in-year application, notify the relevant Local Authority and parent of its outcome and in the case of a refusal of a place, inform parents of their right to appeal against the decision.

Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

9.6 What is the procedure for in-year admissions for Worcestershire residents?

- 1) Parent/Carer to obtain an application form (CA1), from any of the following sources;
 - Download form from website (www.worcestershire.gov.uk/schooladmissions)
 - Child's current school (if in Worcestershire).
 - School being applied for (if in Worcestershire)
 - Worcestershire Hub Centre (Tel **01905 822700**)
- 2) Parent/Carer to complete the application form and ensure form is counter-signed by current Headteacher (if already attending a Worcestershire School).
- 3) In the case of a first preference for a Community or Voluntary Controlled School, the parent should then forward the form onto the School Admissions Section to be processed.
- 4) In the case of a first preference for an Academy, Foundation, Free or Voluntary Aided School, or a school in another Local Authority, the parent should forward the form to the individual school.

- 5) The Local Authority or individual school will write to parents, normally within 10 school days, of the form being received to notify of the decision. In the case of an Academy, Foundation, Free or Voluntary Aided school, the school will also notify the Local Authority. Where it is not possible to offer a place, parents will be notified of the right of an appeal by the relevant admission authority and in most cases, an alternative school will be offered.
- 6) If there are insufficient places for all applications received at a time, then priority will be decided in accordance with the published admissions criteria for the school.

Please be aware that some schools may well already be full at the time of your application.

9.7 Keeping Key Stage 1 Class Sizes to 30 or fewer

LA's must ensure that infant class sizes are limited to a maximum number of 30. The government has identified certain specific exceptions to that class size limit. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit. The excepted children are:

- a) children admitted outside the normal admissions round with Statements of Special Educational Needs or an Education and Health Care Plan, specifying a school;
- b) looked after children and previously looked after children admitted outside the normal admissions round;
- c) children admitted, after initial allocation of places, because of a procedural error made by the admission authority or local authority in the original application process;
- d) children admitted after an independent appeals panel upholds an appeal;
- e) children who move into the area outside the normal admissions round for whom there is no other available school within *reasonable distance;
- f) children of UK service personnel admitted outside the normal admissions round;
- g) children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil;
- h) children with special educational needs who are normally taught in a special educational needs unit attached to the school, or registered at a special school, who attend some infant classes within the mainstream school.

*see Section 8 – Glossary for definition.

9.8 Waiting Lists

If your application for your preferred school is unsuccessful, you will have the opportunity to go onto a waiting list.

You should be aware that a school waiting list is an active document. As parents request for their children to be included on the list the position of an individual child already on the list can change. A waiting list does not give priority based simply on the date an application was added to the list, priority is based on the oversubscription policy of the school.

Waiting lists for Academy, Foundation, Free and Voluntary Aided Schools, are maintained by the individual schools and parents will need to contact the school directly, to establish the waiting list procedure in place at those schools.

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term. Parents will need to reapply at the start of each term if they wish to be included on the list for the following term. **Only on receipt of an acknowledgement letter from School Admissions will that child be on the list.**

Any vacancy for an existing year group at a Community or Voluntary Controlled School will require formal confirmation of the vacancy by the school, to School Admissions, normally within 10 schools days, before it can be reallocated from the waiting list. Places will not normally be allocated until the child due to leave the school, has actually left.

9.9 Can I appeal against the refusal of a place at my preferred school?

Community and Voluntary Controlled Schools (including Sixth Forms)

If the parental preference cannot be met, you may, if you wish, appeal against the decision. Appeals by parents, setting out the grounds upon which the appeal is made, should be submitted in writing to the School Admissions Section. Appeals are heard by an independent appeal panel and whether your appeal is successful is likely to depend on the merits of your case.

Department for Education (DfE) has suggested that admission authorities should make sure parents understand the nature and severity of the restrictions placed on Appeal Panels, when considering appeals for Key Stage One class size prejudice i.e. would mean the school would have to take qualifying measures (additional accommodation, re-organisation or staffing) to comply with the legal duty to limit infant classes to 30 pupils for children in **Reception, Year 1 and Year 2.**

An appeal **WILL BE TURNED DOWN** unless 1 of the 3 clearly defined grounds set out below can be proven:

- A.** The child would have been offered a place if the admission arrangements (which are published in the “Information for Parents” book) had been properly implemented; or
- B.** The child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the SSFA 1998; and/or
- C.** The decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

To reiterate the Appeal Panel can only consider these three aspects of any Appeal relating to Key Stage One class size prejudice admission. This advice has been given by the DfE to provide you with a more realistic view of the limits imposed on the Appeal Panel, and to avoid any misconceptions you may have concerning the appeal process. In other words your appeal will be lost unless you can prove one of the **VERY** limited grounds above.

Second Appeal

The Code of Practice on School Admission Appeals, covers the issue of second appeals for the same school in the same school year. “Appellants do not have the right to a second appeal for the same school for the same academic year unless, in **exceptional** circumstances, the admission authority accepts a second application because of a **significant** and **material** change in circumstances.”

Academy, Foundation, Free and Voluntary Aided Schools

Separate appeals procedures and arrangements exist to consider decisions by Academy, Foundation, Free and Voluntary Aided Schools. The arrangements are published by the Governors of the schools and should be obtained from the school directly.

9.10 Children of UK service personnel (UK Armed Forces)

The School Admissions Code specifies that, for families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

In the case of Community and Voluntary Controlled Schools, the admission arrangements ensure that the application is accepted in advance and the address is accepted as if the child were resident at that address immediately. Should any vacancy exist then that place can be allocated in advance. This is in line with the mandatory requirements of the Code. However, where no vacancy exists the approved admissions policy does not admit these children above the PAN.

The arrangements in place are considered appropriate for Worcestershire where very few applications under these circumstances are received.

9.11 Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

The Local Authority will request the Head Teacher of the school to reach the final decision. This will involve the Head completing an educational assessment to determine whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

If this is something you wish to discuss further then please contact **01905 822700**.

This booklet has been prepared by Babcock Prime on behalf of Worcestershire County Council to inform parents about school admissions and other arrangements, in good time for the school year 2017/2018. To the best of our knowledge all information was correct at the time of printing: July 2016.

This document can be made available in other languages and alternative formats (large print audio tape, computer disk and Braille) on request from School Admissions on telephone **01905 822700** or by emailing: primeschooladmissions@babcockinternational.com
