

CONSENT FORM FOR OFF-SITE VISITS (OS4)

YEAR 5

I agree that medical and dental treatment may be given to my son or daughter if necessary, including the administration of a general anaesthetic and to surgical operations in the case of an emergency, in accordance with the recommendation of a qualified medical practitioner.

1. Pupils are not insured by the school against personal accidents. Personal Accidents Insurance can be arranged for pupils taking part in off-site visits and staff can give advice about a policy specifically designed for such parties. The policy covers personal accident, loss of personal possessions, medical expenses and the cost to parents of visiting their children if they are detained in hospital away from home.
2. The school accepts no responsibility for accidents or injury to pupils or for loss of or damage to personal effects, unless caused by the negligence of the school or any member of its staff.
3. Parents/guardians must provide staff with telephone numbers (day and night) at which they can be contacted in case of emergency in particular should urgent medical treatment be necessary. Parents must ensure that all contact details are kept up-to-date by informing us of any changes of telephone numbers etc.
