Main Street, Pinvin, Worcestershire WR10 2ER

April 2018

Dear Parent/Carer,

We have been delighted to welcome your children back and hope you are all fully refreshed after the Easter break. As the weather hopefully gets warmer, please ensure that school uniform items are fully labelled as our mountain of lost property is continuing to grow in school. Again we would appreciate if you check that your children are bringing in all of the stationery they need – this can only help them in their learning as it enables lessons to start promptly. Please can any packed lunches be brought in sandwich boxes which are clearly labelled with your child's name.

SATS will soon be upon us and separate letters have been sent outlining the timetable for the week and what will be expected of the children as well as an invitation to join a breakfast club. If you have any further questions then please do contact us. It was lovely to see many of you attend our stress buster evening and we hope the children found the techniques useful.

Letters regarding summer extra-curricular clubs have gone out and it is not too late to get involved - we would love for as many children to be attending as possible so they can make the most of the opportunities offered (and hopefully some sunshine!)

Homework will continue to be set every Friday for English and Mathematics, with the exception of the Friday before a school holiday. If your children need support from a member of staff to help them complete their homework, our homework club runs every lunchtime Monday – Thursdays.

We hope that this information will be useful to you. The curriculum overview for the year was sent out in September and is still available on the website but please do contact us if you require further information about topics covered this term. As outlined in the information booklet, we will be working on a writing portfolio which is teacher assessed. The evidence for this will be gathered in the weeks after SATs therefore we would ask for continued support in ensuring holidays and leave of absence requests are not made as these will be deemed as unauthorised. Once the assessments are complete, we will be looking to have a special day off timetable for Year 6 to reward all their hard work.

Should you have any comments or further queries about the upcoming term, please do not hesitate to contact a member of the Year 6 team.

Yours Sincerely,

Mrs H Davey

Year 6 Co-ordinator
